a concise thoroughly illustrated guide into the island battle that would end world war ii by the spring of 1945 the allies were sweeping all
 before them in the pacific war against japan and a series of victories had reclaimed many of the islands and territories seized by the
 imperial japanese forces in the early months of the war the dark days of humiliating defeat were far behind the unstoppable allied
 juggernaut victory was now assured the question was where the last battle would be fought that place was the island of okinawa with

black and white as well as colour illustrations throughout this book details the struggle for the island as us marines and army units battled determined japanese defenders in the final moments of the war

the new edition of the bestselling guide on creating and using key performance indicators offers significant new and revised content key performance indicators kpis help define and measure the organizational goals which are fundamental to an organization s current and future success having solid kpis is crucial for companies that are implementing performance management systems such as balanced scorecards six sigma or activity based management in many organizations kpis are often too numerous randomly assembled and overly complex essentially rendering them ineffectual or at worse counterproductive key performance indicators provides a model for simplifying the complex areas of kpis while helping organizations avoid common mistakes and hazards now in its fourth edition this bestselling guide has been extensively revised and updated to incorporate practical lessons drawn from major implementations fresh content includes a more concise kpi methodology with clear implementation guidance original insights on how other areas of performance management can be corrected and new in depth case studies a revised starter kit is included to identify critical success factors and the kpi resource kit contains updated worksheets workshop programs and questionnaires helping readers to better define and measure progress toward goals this important guide dispels the myths of performance measurement and explains a simple yet powerful kpi methodology explains the 12 step model for developing and using kpis with guidelines helps readers brainstorm performance measures sell kpi projects to the board and senior management and accurately report performance features the kpi project leaders corner which provides readers with essential information and useful exercises includes an array of practical tools templates checklists performance measures and a companion website davidparmenter.com key performance indicators developing implementing and using winning kpis 4th edition is important resource for c suite executives senior management project teams external project facilitators and team coordinators involved in all aspects of performance management systems

civil protection and domestic security in contemporary hybrid warfare presents a comprehensive approach to civil protection and domestic security in contemporary hybrid armed conflict hybrid warfare encompasses a number of dimensions such as military political psychological cognitive space social economic informational or technological current conflicts show that hybrid warfare despite regional differences is based on a common operational framework that combines conventional and unconventional tactics targeting not only military structures but also largely targeting civilians societies all this makes threats more diffuse subtle and difficult to predict they also often take the form of networked actions and have cascading effects in which they can produce complex secondary effects affecting a

range of spheres of society and key infrastructure in response to this spectrum of threats individual states need to adapt their security and civil protection systems to the type of threat involved however most existing solutions are fragmented resulting in a reduced ability to coordinate and adequately prepare civilians for hybrid threat conditions given these challenges the book establishes a common language that helps shape coherent risk management and protective mechanisms in dealing with hybrid attacks it also points in a new direction in ensuring the reliability of information provided to civilians which is crucial in a hybrid war environment where disinformation is used as one of the main tools of destabilisation drawing on theoretical knowledge and practical experiences from around the world the book provides tools to effectively respond to existing and future conflicts and hybrid wars above and beyond this bridging the gap between concrete knowledge of hybrid warfare and operational needs this book explores how public administrations public services ngos local communities and other actors play a key role in protecting the population during such non traditional armed conflicts civil protection and domestic security in contemporary hybrid warfare is a vital resource to government and civilian specialists responsible for population security and protection helping them and their civilian populations to strategise and oftentimes to individually mitigate the risk of loss of life or health as has been demonstrated in the russia ukraine conflict

this book helps us to interpret current events in the light of biblical prophecy reminding us that whether the return of christ is near or far the stage is being set for his arrival are we ready erwin w lutzer bestselling author in matthew 24 after jesus gave his disciples a profound detailed description of what will happen prior to his second coming he urged them to keep watch because you do not know on what day your lord will come verse 42 so as we seek to follow his commands today what are we to watch for foreshadows explores 12 major trends that point toward jesus ever nearing return and that illuminate how god s faithfulness wisdom and sovereignty are on display all around us as you read you will identify occurrences in today s world that align with specific end times prophecies outlined in the bible discover how to walk not as unwise but as wise making the best use of the time because the days are evil ephesians 5 15 16 grow in your trust and reverence of god looking with confidence and wonder toward the future he has promised to those who are his children foreshadows will equip you to recognize the signs pointing to the end times while inspiring you to take hope in the knowledge god holds our chaotic world firmly within his control behind the scenes he is at work setting the stage for christ s return and the glorious eternity that will follow

this collection of essays from world renowned scholar hans walter gabler contains writings from a decade and a half of retirement spent exploring textual criticism genetic criticism and literary criticism in these sixteen stimulating contributions he develops theories of textual criticism and editing that are inflected by our advance into the digital era structurally analyses arts of composition in literature and music

and traces the cultural implications discernible in book design and in the canonisation of works of literature and their authors distinctive and ambitious these essays move beyond the concerns of the community of critics and scholars gabler responds innovatively to the issues involved and often endeavours to re think their urgencies by bringing together the orthodox tenets of different schools of textual criticism he moves between a variety of topics ranging from fresh genetic approaches to the work of james joyce and virginia woolf to significant contributions to the theorisation of scholarly editing in the digital age written in gabler s fluent style these rich and elegant compositions are essential reading for literary and textual critics scholarly editors readers of james joyce new modernism specialists and all those interested in textual scholarship and digital editing under the umbrella of digital humanities

in august 1644 at the height of the first english civil war john graham the marquis of montrose raised the standard of royalist rebellion in scotland in a single year he won a string of remarkable victories with his army of irish mercenaries and highland clansmen his victory at auldearn the centrepiece of his campaign was won only after a day long struggle and heavy casualties on both sides this book details the remarkable sequence of victories at tippermuir aberdeen inverlochy auldearn and kilsyth that left montrose briefly in the ascendant in scotland however his decisive defeat and surrender at philiphaugh finally crushed the royalist cause in scotland

living in transit being in motion is an actual condition movement is real moreover it is essential because it concerns kinetic events we can insistently perceive that everything changes and moves all living beings undergo experiences revealing flows adaptations and becomings quotidian experiences testify to that directly or indirectly we face reality s movements all the time atoms move planets move animals move rivers move trees move technology moves economy moves the state moves and people move the ontological assertion that reality is all about beings in motion has an anthropological side that must be considered we indeed live in times highly defined by movement and change as we have said everything moves it is inevitable to perceive and face movement and change for that reason it is essential to ethically assess our human role in changing living scenarios and dynamic beings

e book content devices and services have created challenges for libraries as well as opportunities because the e book playing field is constantly changing any predictions are at best tenuous librarians must be resilient in order to manage and not be managed by e books and their progenies with their explosive sales and widespread availability over the past few years e books have definitively proven that they are here to stay in this sequel to her first book of the same title the author dives even deeper into the world of digital distribution contributors from across the e book world offer their perspectives on what is happening now and what to expect in the coming months

and years included in this resource are guidelines for performing traditional library processes such as cataloging weeding archiving and managing e book accessibility for patrons with special needs explorations of topics such as the e book digital divide and open access publishing case studies from an array of academic public and school libraries offering firsthand accounts of what works what doesn't and why discussions of the emerging model of the electronic only library and the rich possibilities of enhanced e books

this report the fifth in the series of who reports on the global tobacco epidemic presents a country level examination of the epidemic and identifies countries that have applied effective tobacco control measures the number of people worldwide protected by effective tobacco control measures continues to grow and countries that have adopted these measures at the highest level of achievement can be considered models for action for those countries that have yet to do so the focus of this report is raising taxes on tobacco the r component of mpower time and again increasing taxes on tobacco products to increase retail prices has been proven to be the most effective and efficient of the best buy demand reduction measures to reduce tobacco use and yet it is also the least widely implemented measure

anopheles mosquitoes are highly important insects due to their involvement in the transmission of human malaria and its devastating consequences in endemic countries worldwide in 2010 alone malaria was responsible for an estimated 660 000 deaths as the study of anopheles species and populations is a key element for reaching the goal of malaria elimination an enormous amount of information has accumulated over the past century and together in recent decades with the advent of novel technologies the acquisition of new knowledge has accelerated even further the originality of this book is to offer the latest compilation on various research new concepts paradigms and innovative approaches for the control of anophelines using state of the art methodologies and analysis the 24 chapters written by internationally recognized experts from 5 continents cover the rich landscape for the understanding of anopheles mosquitoes and the development of more effective weapons to control the vector of malaria

utopia in the anthropocene takes a cross disciplinary approach to analyse our current world problems identify the key resistance to change and take the reader step by step towards a more sustainable equitable and rewarding world it presents paradigm shifting models of economics political decision making business organization and leadership and community life these are supported by psychological evidence utopian literature and inspirational changes in history the anthropocene is in crisis because human activity is changing almost everything about life on this planet at an unparalleled pace climate change the environmental emergency economic inequality threats to

democracy and peace and an onslaught of new technology these planetwide risks can seem too big to comprehend let alone manage our reckless pursuit of infinite economic growth on a finite planet could even take us towards a global dystopia as an unprecedented frenzy of change grips the world the case for utopia is stronger than ever an effective change plan requires a bold imaginative vision practical goals and clarity around the psychological values necessary to bring about a transformation this book will be of great interest to students and scholars of the environmental humanities sustainability studies ecological economics organizational psychology politics utopian philosophy and literature and all who long for a better world
