this book functions as a comprehensive manual for emergency care providers who are treating critically ill covid 19 patients beginning with an overview of the covid 19 infection and an examination of the patients who received critical care from hospital emergency departments around the country this book provides clinicians with a guide to best practices in everything from personal protection while deploying critical care to covid 19 patients to evaluation and diagnosis of the illness subsequent chapters break down care of various comorbidities seen in covid 19 patients and the care offered to patients suffering from the illness in a multitude of ways closing chapters examine how emergency departments can best prepare for potential surges in covid 19 patients as the illness continues to develop providing important information on how to best protect hospital employees and best care for future patients in a constantly shifting landscape due to the rapid onset of the illness and strong hold the pandemic had on the lives and careers of healthcare professionals critical care of covid 19 in the emergency department fills a critical gap in the literature available on this topic

pope francis was the pope for 12 years 2013 2025 argentinian by birth but during his 12 years as pope he never returned to his

homeland the book by prominent australian jesuit frank brennan writes about francis papacy as a fellow jesuit he writes as jesuit reflecting on francis papacy and his life as a jesuit when he was appointed as provincial of the jesuits in argentina at the age of 36 brennan refers to francis papacy as being one of a disruptor in the life of the catholic church brennan writes in his conclusion francis left us a wonderful roadmap for pilgrims in an evangelising church committed to care for our common home by being fraternal and in solidarity with all especially those on the frontiers and peripheries which are the privileged centres of grace

throughout his life louis armstrong tried to explain how singing with a barbershop quartet on the streets of new orleans was foundational to his musicianship until now there has been no in depth inquiry into what he meant when he said i figure singing and playing is the same or singing was more into my blood than the trumpet creating the jazz solo louis armstrong and barbershop harmony shows that armstrong understood exactly the relationship between what he sang and what he played and that he meant these comments to be taken literally he was singing through his horn to describe the relationship between what armstrong sang and played author vic hobson discusses elements of music theory with a style accessible even to readers with little or no musical background jazz is a music that is often performed by people with limited formal musical education armstrong did not analyze what he played in theoretical terms instead he thought about it in terms of the voices in a barbershop quartet understanding how armstrong and other pioneer jazz musicians of his generation learned to play jazz and how he used his background of singing in a quartet to develop the jazz solo has fundamental implications for the teaching of jazz history and performance today this assertive book provides an approachable foundation for current musicians to unlock the magic and understand jazz the louis armstrong way

formed in october 1943 the 479th fg claimed an impressive history against the luftwaffe during the final year of the war originally flying p 38s the 479th s pilots had a fierce pride of arms they earned a presidential distinguished unit citation in the late summer of 1944 and were also credited with the usaaf s first german jet kill in july 1944 eventually transitioning to the p 51d in september 1944 the 479th excelled with the mustang the 479th fg was credited with scoring the last aerial victory claimed by the eighth air force s viii fighter command on 25 april 1945 by ve day 29 pilots flying in the group had earned ace status this is a dramatic

insight into the last fighter group deployed by the usaaf to eighth air force in europe

 working on both frontend and backend development if you re familiar with c or java and have basic experience with html and css
 you ll benefit the most whether you re a beginner exploring asp net core or an experienced developer looking to advance your skills
 this book is tailored for you

this book argues that media and capitalism no longer exist as separated entities and posits three reasons why one can no longer exist without the other firstly mass media have become indispensable to capitalism due to the media's ability to sell the commodities of mass consumerism media capitalism also creates pro capital attitudes among a target population and establishes an ideological hegemony thirdly media capitalism provides mass deception to hide the pathologies of capitalism which include mass poverty rising inequalities and the acceleration of global warming to illuminate this the book's historical chapter traces the emergence of media capitalism its subsequent chapters show how media capitalism has infiltrated the public sphere society schools universities the world of work and finally democracy the book concludes by outlining how societies can transition from media capitalism to a post media capitalist society

most works written about the jacobites have tended to look at the 1745 rebellion rather than the earlier attempt to reinstate the stuart dynasty drawing upon a wealth of under utilised sources and giving weight to the community and individual dimensions of the crisis as well as to the military ones this book focuses on events in 1715 when english and scottish jacobites tried to replace george i with james stuart it provides a narrative and analysis of the campaign that led to the decisive battle at preston and ended the immediate prospects of the jacobite cause

giardiasis is still a significant infectious and parasitic disease caused by the protozoan giardia intestinalis there are estimates of more than 200 million cases of giardiasis occurred in the world annually the advance in research in giardiasis during the last century and particularly during the last decade is considerable nevertheless many challenges still are ahead in order to reach a higher control of this disease this book tried to update the significant epidemiological and clinical research in many aspects with a multinational perspective this book with 9 chapters has been organized in 3 major sections 1 overview epidemiology and clinical aspects 2 biological and diagnostic aspects and 3 treatment prevention and public health
