the rapid changes in technology and the rise of ai have heralded the introduction of a new era which we refer to as the era of hyper digitalization this shift has significant impacts on how organizations and enterprises carry out critical functions across various areas including marketing information technology human resources and others we are witnessing the transformation of the marketing function with many traditional roles of marketers being replaced by new roles that depend heavily on cross functional coordination with multiple areas these changes could be far reaching and have already dramatically impacted how to organize many tasks within organizations against this backdrop this book offers modern marketers and technologists a guide on navigating the many changes occurring in organizations any senior executive can leverage many of the concepts presented in this book and be able to handle the sweeping changes taking place in the age of ai this book introduces a new framework with six pillars of modern marketing strategy in the age of hyper digitalization purpose phygital experiences platform participation personalization and partnerships each pillar has its own chapter which provides specific guidance for managers on how to implement it the chapters also demonstrate how each pillar can influence key outcomes like attention and engagement in the context of hyper digitalization and ai the six pillar framework will help managers navigate current developments and implement changes that any enterprise is faced with it will offer senior marketing strategists and students a framework for strategic thinking that prepares them for the workplace of tomorrow the framework is supported by numerous case studies and examples from both the united states and other parts of the world that demonstrate how these concepts are applied in real world situations the book incorporates insights from scholarly research on these topics to provide evidence based guidance for managers and executives

the routledge handbook of motherhood on screen offers a comprehensive global analysis of the representation of mothers and motherhood in contemporary screen industries and online spaces over five distinct sections this handbook examines how the complexities and realities of contemporary motherhood are translated to the screen offering a full scholarly overview of the field this handbook provides a ground breaking and important contribution to our understanding

of motherhood on screen the geographical and genre reach of the handbook presents new ways of theorising and reframing current scholarly debate and gives a wide ranging and comprehensive contribution to knowledge of on screen representations an international team of established scholars and emerging voices provide analysis of representations from around the world spanning a breadth of genres the chapters situate transnational screen representations of motherhood in the 21st century and assess the implications of contemporary representation of motherhood thoroughly challenging and expanding understandings of motherhood and mothers this handbook will be an essential multi faceted publication for researchers and students of film tv animation motherhood gender studies feminism ageing studies anthropology and sociology

this book offers a trailblazing account of postfeminist sensibility as a digital feeling that shapes how we understand the world around us it explores how we feel in a world where the digital has become intertwined with our intimate relationships to ourselves and to others the book develops a novel approach that draws on feminist theories of affect emotion and structures of feeling to analyse the entanglements of the digital and the non digital and the public and the private and to show how good feeling shapes a contemporary moment that often leads us back to normativity and reproduces systemic inequality this is achieved through several different digital media spheres including the instagram account barbie savior fitspo content tiktok influencers and their get ready with me videos the archive of hot men on tubecrush and the intimacies of the internet cat suggesting that each offers a snapshot of our current emotional landscapes

from the most visible woman writing about weightlifting today a profoundly engrossing memoir and manifesto about how lifting helped dissolve her allegiance to diet culture taught her to be at home in her body and led her to grow every kind of strength elizabeth greenwood in a physical education casey johnston recounts how she ventured into the brave new world of weightlifting leaving behind years of restrictive eating and endless cardio woven through the trajectory of how she rebuilt her strength and confidence is a staggering exposé of the damaging doctrine spread by diet and fitness culture johnston s story dives deep into her own past relationships with calorie restriction exercise and codependency as she progresses on her weightlifting journey she begins to eat to fuel her growing strength and her food cravings vanish her physical progress fuels a growing understanding of how mainstream messaging she received about women s bodies was about preserving the status quo previously convinced that physical improvement was a matter of suffering she now knows it requires self regard and patience a little pushing at a time adds up to the reawakening of parts of herself she didn t even know were there a physical education asks why so many of us spend our lives trying to get healthy by actively making our bodies weaker casey johnston is a voice for those of us who feel underdeveloped and unfulfilled in our bodies and are looking to come home to ourselves

postfeminism and body image is a groundbreaking work that provides a poststructuralist and psychosocial analysis of key issues at the intersections of body image psychology and media the book outlines the theoretical framework through the work of renowned philosophers michel foucault and gilles deleuze and their use in feminist scholarship to address body image issues and challenges in the context of a postfeminist sensibility the authors rethink body image calling into question assumptions and obligations that affect recent issues related to social media use body positivity the transformation imperative body shaming and muscular masculinity the analysis shows the advantage of seeing body image as a form of non linear warfare structured by contradiction confusion and critique

where attempts to challenge oppressive body image practices are appropriated under the guise of positive alternatives to maintain that oppression through real world examples these nuanced concepts are made relatable and comprehensible to the readers the book also offers a number of affirmative and hopeful ways forward this is an indispensable resource for students and professionals of gender studies health psychology social psychology and media and cultural studies it is also ideal for anyone exploring body image self image postfeminism and poststructuralism

winner of the sunday times sports book award stronger will change what you think you know about strength and most importantly empower you to go on your own journey to discover what strength looks like for you this book gives us permission to establish a healthy relationship with our bodies and strength fearne cotton author of happy if you are the girl the woman who feels like she is never enough that she will never be as strong as good as capable i am here to tell you that you are enough you can write a different story having gone from hating p e to becoming a powerlifter who can lift over twice her own bodyweight poorna bell is perfectly placed to start a crucial conversation about women s fitness one that has nothing to do with weight loss in stronger she shows how all of us can tap into our inner strength and find the confidence that physical pursuits can amplify the confidence that has been helping men to succeed for centuries and that women can find too in this updated edition with a new introduction poorna tells not only her own story but those of a range of women investigating intersections of race age and social background part memoir part manifesto stronger explodes old fashioned notions about getting strong and explores the relationship between mental and physical strength whether you re into weightlifting running swimming yoga or don t consider yourself to be sporty at all poorna shows how finding strength can work for you regardless of age ability or background a beautiful inspiring book that will change the way you think about exercise i only wish it had existed when i was younger bryony gordon

have you ever felt average that you re not special or extraordinary just normal and that chances are society s obsession with always being the best and smashing life is setting us up for failure years of striving and pushing to be better than everyone else are breaking us fear of disappointment and our pursuit of someone else s definition of success tell us we re not enough they tell us to work late then work hard in the gym overcommit then post about selfcare on our painstakingly curated social media feeds they tell us to push ourselves until we break all to prove our worth to show we deserve our place but are we tolerating the lows to reach the fleeting highs and are we missing all the good stuff along the way why are we programmed to live like this and is it society that needs to change not us one thing s for sure it s better to be average and happy than exceptional and miserable we re all good enough just as we are

research perspectives on social media influencers and their followers argues that the brands that find the most success on social media are the ones that acknowledge the real key to social media marketing it s all about the followers this collection edited by brandi watkins explores how social media has shifted power dynamics away from brands and toward the consumers themselves the social media users who choose to like share and engage with brands online this dynamic has paved the way for the rise of the social media influencer smi a unique category of social media user who has a large platform and compelling content that attracts a number of loyal and devoted followers it s the followers that make smi relevant and appealing to brands as a marketing strategy contributors discuss emerging trends in research related to the smi and their followers as the influencer marketing industry continues to grow and evolve they

argue so too should our understanding of the influencer follower relationship that makes this marketing strategy successful each chapter of this collection presents a variety of research perspectives questions and methodologies that can be used to analyze this trend scholars of media studies communication technology studies celebrity studies marketing and economics will find this book particularly useful
