what 12 years of schooling never provided is located within this amazing literature from basic instructions on saving to the reason for america s current financial dilemma we receive great advice in the world of finance people across the globe are crying for relief that will never come in exit we learn that financial strain is planned and orchestrated the more america suffers financially the more successful certain individuals become how do we eliminate a problem that has been in place for almost 100 years we first learn how to exit escape

the majority of new jobs created in the united states today are low wage jobs and a fourth of the labor force earns no more than poverty level wages policymakers and citizens alike agree that declining real wages and

constrained spending among such a large segment of workers imperil economic prosperity and living standards for all americans though many policies to assist low wage workers have been proposed there is little agreement across the political spectrum about which policies actually reduce poverty and raise income among the working poor what works for workers provides a comprehensive analysis of policy measures designed to address the widening income gap in the united states featuring contributions from an eminent group of social scientists what works for workers evaluates the most high profile strategies for poverty reduction including innovative living wage ordinances education programs for african american youth and better regulation of labor laws pertaining to immigrants the contributors delve into an extensive body of scholarship on low wage work to reveal a number of surprising findings richard freeman suggests that labor unions long assumed to be moribund have a fighting chance to reclaim their historic redistributive role if they move beyond traditional collective bargaining and establish new ties with other community actors john schmitt predicts that the affordable care act will substantially increase insurance coverage for low wage workers 38 percent of whom currently lack any kind of health insurance other contributors explore the shortcomings of popular solutions stephanie luce shows that while living wage ordinances rarely lead to job losses they have not yet covered most low wage workers and jennifer gordon corrects the notion that a path to legalization alone will fix the plight of immigrant workers without energetic regulatory enforcement she argues legalization may have limited impact on the exploitation of undocumented workers ruth milkman and eileen appelbaum conclude with an analysis of california s paid family leave program a policy designed to benefit the working poor who have few resources that allow them to take time off work to care for children or ill family members despite initial opposition the paid leave program proved more acceptable than expected among employers and provided a much needed system of wage replacement for low income workers in the wake of its success the initiative has emerged as a useful blueprint for paid leave programs in other states alleviating the low wage crisis will require a comprehensive set of programs rather than piecemeal interventions with its rigorous analysis of what works and what doesn t what works for workers points the way toward effective reform for social scientists policymakers and activists grappling with the practical realities of low wage work this book provides a valuable guide for narrowing the gap separating rich and poor

shadowbosses reads like an organized crime novel but it s actually a true story of how labor unions are infiltrating our government and corrupting our political process this compelling and insightful book exposes how unions have organized federal state and local government employees without their consent and how government employee unions are now a threat to our workers freedoms our free and fair elections and even our american way of life and mallory factor reveals what s coming next how

unions are targeting millions of americans maybe even you for forced unionization so that unions can collect billions more in forced dues and exert an even greater influence over american politics a chilling expose shadowbosses is also a call to citizen action against those who really hold power in america today

migration has become an increasingly important phenomenon for societies especially given its highly controversial political dimension the complexity of the migrant integration process and its many varieties present challenges to policymakers who need high quality information on which to base decisions nowhere is this necessity more pressing than in the development of relevant tax rules that meet the basic requirements of efficiency and equity moreover the ascent of the so called emerging economies coupled with the stagnation of the richest economies of the world implies reform of the current competition based international tax regime and the adoption of a more cooperative paradigm this important and timely book for the first time in such depth explores such aspects of the problem as the following migration for tax reasons especially corporate inversions change in corporate residence for tax purposes tax consequences related to individuals who receive free or subsidized education in one country and profit from it in another taxing cross border retirement income and migration related aspects of tax preferential treatment of the elderly with particular emphasis on the effects and opportunities created by the changing international tax regime and with attention to the role of tax treaties and recent court cases chapters by well known tax experts present evidence on the consequences of migration in all its facets and simulate the effects of several recently enacted and proposed changes in tax law in european countries the united states and other jurisdictions the grounded propositions and recommendations offered in this deeply informed book will allow policymakers to draft tax residence rules that minimize distortion and promote fairness the book will also be of interest to tax law practitioners and other tax specialists migration experts and academics investigating one of the crucial political issues of our time
