complexities of library operations

some vols include supplemental journals of such proceedings of the sessions
as during the time they were depending were ordered to be kept secret and
respecting which the injunction of secrecy was afterwards taken off by the
order of the house

retaining the position it has held since first publication the fifth edition of this leading practitioner text on information law has been thoroughly reworked to provide comprehensive coverage of the data protection act 2018 and the gdpr information rights has been cited by the supreme court court of appeal and others and is used by practitioners judges and all those who practise in the field the new edition maintains its style of succinct statements of principle supported by case law legislative provisions and statutory guidance reflecting its enlarged scope and to maintain easy referencing the work has been arranged into two volumes the first volume is a 1 250 page commentary divided into six parts the first part is an overview and introduction to overarching principles the second part provides an authoritative treatment of the data protection regime this covers all four forms of processing general applied law enforcement and security services under the gdpr and dpa 2018 each obligation and each right is comprehensively treated with reference to all known case law both domestic and eu including those dealing with analogous provisions in the previous data protection regime the third part provides a detailed treatment of the environmental information regime this recognises the treaty provenance of the regime and its distinct requirements the fourth part continues to provide the most thorough analysis available of the freedom of information act and its scottish counterpart as with earlier editions every tribunal and court decision has been reviewed and where required referenced the fifth part considers other sources of information rights including common law rights local government rights and subject specific statutory information access regimes eg health records court records audit information etc the final part deals with practice and procedure examining appeal and regulatory processes criminal sanctions and so forth the second volume comprises extensive annotated statutory material including the dpa 2018 the gdpr foia subordinate legislation international conventions and statutory guidance the law is stated as at 1st february 2020

this is the fourth edition of what is the leading practitioner s text on freedom of information law providing in depth legal analysis and practical guidance it offers complete authoritative coverage for anyone either making handling or adjudicating upon requests for official information the three years since the previous edition have seen numerous important decisions from the courts and tribunals in the area these and earlier authorities supply the basis for clear statements of principle which the work supports by reference to all relevant cases the book is logically organised so that the practitioner can quickly locate the relevant text it commences with an historical analysis that

sets out the object of the legislation and its relationship with other aspects of public law full references to hansard and other parliamentary materials are provided this is followed by a summary of the regime in five other jurisdictions providing comparative jurisprudence which can assist in resolving undecided points the potential of the human rights act 1998 to support rights of access is dealt with in some detail with reference to all echr cases next follows a series of chapters dealing with rights of access under other legislative regimes covering information held by eu bodies requests under the data protection act and the environmental information regulations public records as well as type specific rights of access these introduce the practitioner to useful rights of access that might otherwise be overlooked they are arranged thematically to ensure ready identification of potentially relevant ones the book then considers practical aspects of information requests the persons who may make them the bodies to whom they may be made the time allowed for responding the modes of response fees and vexatious requests the duty to advise and assist the codes of practice government guidance and its status transferring of requests third party consultation the next 13 chapters comprising over half the book are devoted to exemptions these start with two important chapters dealing with general exemption principles including the notions of prejudice and the public interest the arrangement of these chapters reflects the arrangement of the foi act but the text is careful to include analogous references to the environmental information regulations and the data protection act 1998 with each chapter the exemption is carefully analysed starting with its parliamentary history giving full references to hansard and other parliamentary material and the treatment given in the comparative jurisdictions the analysis then turns to consider all court judgments and tribunal decisions dealing with the exemption the principles are stated in the text with footnotes giving all available references whether to prepare a case or to prepare a response to a request these chapters allow the practitioner to get on top of the exemption rapidly and authoritatively the book concludes with three chapters setting out the role of the information commissioner and the tribunal appeals and enforcement the chapter on appeals allows the practitioner to be familiar with the processes followed in the tribunal picking up on the jurisprudence as it has emerged in the last eight or so years appendices include precedent requests for information a step by step guide to responding to a request comparative tables and a table of the foi act s parliamentary history finally the book includes an annotated copy of the foia act the data protection act 1998 the environmental information regulations 2004 all subordinate legislation made under them
