the lloyd s register technical association lrrta was established in 1920 with the primary objective of sharing technical expertise and knowledge within lloyd s register publications have consistently been released on a yearly basis with a brief interruption between 1938

and 1946 these publications serve as a key reference point for best practices and were initially reserved for internal use to maximise Irf's competitive advantage today the Irf takes a fresh approach focusing on collaboration by combining professional expertise from across Irf group to ensure a frequent output of fresh perspectives and relevant content the Irf has evolved into a group wide initiative that identifies captures and shares knowledge spanning various business streams and functions to support this modern approach the Irf has adopted a new structure featuring representatives and senior governance across the business streams and the Irf foundation the Irf's register technical association papers should be seen as historical documents representing earlier viewpoints and are not reflective of current thinking and perspectives by the current Irf technical association the Irf's register staff association IrfSA changed its name to the Irf's register technical association IrfTA in 1973
