learn how to play chords melodies and strums teaches both pick and fingerstyle technique

for more than seven decades nick lucas was an entertainer beginning as a child street musician and becoming one of the most popular singer guitarists of all time he was a popular sideman in bands and his solo career conquered radio recordings vaudeville broadway films night clubs and television he is credited with being the first musician to replace the banjo with the guitar in big bands and on records and with initiating the intimate style of singing making him the first crooner nick lucas guitar playing contributed significantly to the instrument s popularity and he influenced generations of players with his instruction books and by having a line of popular guitar picks bearing his name he was the first guitarist to have a custom made model the nick lucas special this biography comprehensively covers nick lucas career as he entertained audiences in the united states england and australia becoming a beloved star and influencing popular music to the present day

there may be two sides to every story but sometimes there s only one way to set things right music is elijah s life his band plays loud and hard and he ll do anything to get them a big break he needs that success to help take care of his sister who has special needs so he d rather be practicing when his friends drag him to a musical in the next town until the lead starts to sing

kristen dreams of a career on stage like her grandmother s she knows she needs an edge to get into a competitive theater program and being the star in her high school musical isn t going to cut it the applause and the attention only encourage her to work harder elijah can t take his eyes off of kristen s performance and he snaps a photo of her in costume that he posts online with a comment that everybody misunderstands it goes viral suddenly elijah and kristen are in a new spotlight as the online backlash spins out of control and the consequences are bigger than they both could have ever imagined because these threats don t stay online they follow them into real life

nick pierce a talented young boy whose singular obsession is music finds himself overturned from a lonely life with his grandmother in wichita kansas to the rather strange atmosphere of life in western kansas with the father he had never met although a friendly neighbor couple takes nick under their wing circumstances in life and his father s attitude work against him in search for a way to fulfill his uttermost desires he enters into a world of the unknown a stranger world that leads him into questioning right from wrong in the face of a life threatening sickness nick wonders if life could offer him a little more if music may still flow from his fingers in praise to the father god

the contemporary music magazine

inch this work is likely to become a standart work very quickly and is to be recommended to all schools where recorder studies are undertaken inch oliver james contact magazine a novel and comprehensive approach to transferring from the c to f instrument 430 music examples include folk and national songs some in two parts country dance tunes and excerpts from the standard treble repertoire ofbach barsanti corelli handel telemann etc an outstanding feature of the book has proved to be brian bonson s brilliantly simple but highly effective practice circles and recognition squares designed to give in only a few minutes concentrated practice on the more usual leaps to and from each new note and instant recognition of random notes quickly emulating the outstanding success of the descant tutors these books are very popular even with those who normally use tutors other than the enjoy the recorder series
