take a tour with trevor romain of some of his wildest most memorable experiences in this collection of coming of age stories
about living in south africa in the 1970s whether he was scaling walls in search of mulberry leaves for his shoebox of
silkworms hitchhiking to the local ice rink on a friday night or keeping his head firmly down as a new conscript these
anecdotes will leave you laughing crying or just shaking your head in disbelief every story is accompanied by one of trevor s
iconic drawings which have been carefully crafted with a pitch perfect combination of humour and nostalgia to leave an
enduring imprint on your own memories and to keep you wanting more both entertaining and deeply moving this is a book
perfect for anyone looking for what it really means to be proudly south african

this book provides a selective and somewhat cheeky account of prominent positions in legal theory such as american legal realism modern legal positivism sociological systems theory institutionalism and critical legal studies it presents a relational approach to law and a new perspective on legal sources the book explores topics of legal theory in a playful manner it is written and composed in a way that refutes the widespread prejudice that legal theory is a dreary subject with a cast of characters that occasionally interact in order to illustrate the claims of the book legal experts claim to know what the law is legal theory or jurisprudence explores whether such claims are warranted the discipline first emerged at the turn of the 20th century when the self confidence of both legal scholarship and judicial craftsmanship became severely shattered but the crisis continues to this day
