four volumes in the influential series of folklore and fairy tales collected from many cultures for children of all ages in a time when fairy tales were dismissed even condemned by academics and critics andrew lang and his wife leonora blanche alleyne worked to compile a multitude of these stories not only helping them gain great popularity among everyday readers but also changing the widespread perceptions of this kind of literature this entertaining

volume brings together four of lang s collections the blue fairy book the red fairy book the green fairy book and the yellow fairy book totaling more than 150 stories

this is the first book in the series it narrates historical facts that are often forgotten or ignored by the general public and they are historical facts that relate to names dates events and a symbolism that can hardly be refuted as the proverb says the force of life is sacred invisible and powerful contains the memory of the past and the vision of the future it allows creation to manifest in matter here and now for years guy boulianne has scrutinized the collective memory and the memory of his being in order to restore a truth buried deep within himself and deep within human memories chapter after chapter like a diary it leads the reader in his quest for the grail and gives him the keys to a better understanding of the past present and future world with him the secret history of france resurfaced and was transported to the host country of new france throughout the pages the author reconstructs a little more in the history of his family which has its origin in the most remote times and which goes back to prince ursus descendant of the merovingian king dagobert ii princess visigothe gisèle de rhedae and the exilarch makhir ben habibai representative of the powerful babylonian judaism this mark of nobility is inscribed on the family coat of arms a blue bear s paw banded or as arthur on his dextrier the excalibur word in hand guy boulianne slays the dragons guardians of treasures and shares with you the substantive marrow of his research history is the witness of times the light of truth the life of memory the teacher of life the messenger of antiquity cicero statesman and philosopher

traditional fairy tales are often too long too gruesome or otherwise unsuitable as a bedtime story in kidslumber stories no one dies no child is abandoned by its parents nor are the stories saccharine sweet the stories are intended to be enjoyable for both the child and the reader and certainly not a chore for the reader each story takes about 10 12 minutes to read and has humor rhyme and usually a moral the stories are written for the children of today not past centuries for children 5 10 years approximately 30 000 words

example i n this ebook if there be a story which may be supposed to be thoroughly familiar to the reading public it is surely that of the queen of denmark who is believed to have loved not wisely but too well the fate of struensee has supplied the motive for countless works more or less historical for novels and even for an opera hence it might reasonably be assumed that the man who ventured on intruding on the english public another work on such a thoroughly worn out topic must be either very impudent or very foolish and yet i have ventured to do so through neither of these failings but for reasons which have been duly weighed and which appear to my mind to convey their justification the first of these motives is that within a very recent period a perfectly new light has been thrown on the whole affair by permission being granted to examine the privy archives of copenhagen from these i have been enabled to derive the hitherto unpublished documents and reports of the judges and thus prove on what worthless evidence the divorce of the queen was passed at the same time a great deal of fresh matter has been rendered available about the two unhappy men who fell victims to a mistaken sense of justice the late king of denmark who wisely thought that publicity was the best safeguard of thrones also allowed the m^émoires de mon temps of the landgrave charles of hesse cassel brother in law of christian vii to be printed for private circulation i have been enabled to procure a copy of this work through the kindness of baron von jenssen tusch who obtained it from the prince of augustenburg and the many curious details of the court of denmark it contains have been woven largely into my text another work which has afforded me very material assistance is the memoirs of reverdil secretary to christian vii which appeared two or three years ago but is little known in this country lastly the private journals of sir n w wraxall have been laid under contribution to a great extent it was made known by the publication of the post humous memoirs that he had been connected with the queen of denmark but it was only during last year that i discovered how much my grandfather knew of the affair and how well he had kept silence on the subject i have ransacked his journals correspondence c in the interests of the present work and these have enabled me i hope to bring together much not hitherto known or if known forgotten as a humble follower of lord macaulay i have also recognised the value of pamphlets and chap books and have been able to obtain with some cost and trouble nearly everything published on the palace revolution during 1772 and 1773 in germany denmark and england i have also considered it my duty to consult every work at all connected with the subject and do not think that any one has been omitted whether it has been in my power to prove the innocence of the queen of denmark is a question for my readers to decide i however take some credit to myself for publishing for the first time the letter which she wrote on her death bed to her brother this letter passed through the hands of the late king of hanover to the duchess of augustenburg from whom my copy is derived to be continue in this ebook
