finally a book that offers a plan that can resolve our country's mind boggling domestic problems and settle the troublesome international issues including the war on terror which threaten to erupt into global conflict the new manifest destiny is a fresh insightful look at the big problems that endanger the security of every nation in the modern world in this account bill washington uses the greatest axioms of the bible to demonstrate the link between the abandonment of our traditional christian values and the seemingly intractable problems that we face in the early 21st century in particular the teaching of the mentally destructive dogma of the theory of evolution is cited as a major cause for our current downward spiral the prophetic conclusion may come as a surprise to many as the new manifest destiny it offers hope and encouragement to a world on the brink of disaster

pottermiversity essays exploring the world of harry potter presents a written companion to the popular hermione approved mugglenet podcast by the same name selected from the top

potter studies scholars in the field the diverse authors in the volume provide a range of interpretations of wizarding world stories essays include analysis of genre conventions literary and religious symbolism the role of games in the series pedagogical approaches and politically challenging issues like u s race relations colonialism and gender and sexuality including direct attention to j k rowling s controversial statements about trans people grouped into the sections occult knowledge ancient magic a question of character self and other playing potter and teaching the hogwarts way partnered essays precede transcripts of podcast conversations led by the hosts of pottiversity the book s essays and conversations aim to engage not only the mind but the spirit as well the emotional personal and moral responses the potterverse has evoked in so many people around the world fundamentally this book demonstrates that the characters stories and situations of the magical realm promote thinking that helps us navigate our more mundane but no less dangerous world perhaps even more importantly they help us to recognize the magic amid our everyday muggle realities

tugmutton common is the story of william pateman and his family william born in 1857 at rochester kent was a gypsy who travelled around west kent making beehives and hawking goods in 1881 he settled at the gypsy camp at tugmutton common locks bottom farnborough kent this was also the home of levi and urania boswell the king and queen of the kent gypsies william died at orpington in 1921

this comparative literature study explores how writers from across ireland and latin america have both in parallel and in concert deployed symbolic representations of the dead in their various anti colonial projects in contrast to the ghosts and revenants that haunt english and anglo american letters where they are largely either monstrous horrors or illusory frauds the dead in these irish latinx archives can serve as potential allies repositories of historical grievances recorders of silenced voices and disruptors of neocolonial discourse

this book part of the series cave and karst systems of the world begins with a review of the interaction between people and caves in australia including conservation followed by descriptions of the spectacular cave diving sites before comprehensively covering all the major carbonate and noncarbonate karst areas subdivided by rock type and region and including the origin of the caves this is followed by broad overviews of cave minerals and speleothems cave biology and cave fossils each section was written by one or more specialists in the topic and is illustrated by clear diagrams and superb colour photos the book emphasises the unique aspects of the australian karst including the variability in the age of the caves very old to very young and the impact of isolation on the stygofauna as well as the vertebrate fossils preserved in the caves written in an easy to read style the book is a primary reference guide to australian karst and represents a valuable asset for anyone interested in the topic not only cavers and academics
