chinese labor in a korean factory draws on fieldwork in a multinational corporation mnc in qingdao china and delves deep into the power dynamics at play between korean management chinese migrant workers local level chinese government officials and chinese local gangs anthropologist jaesok kim examines how governments to attract mncs relinquish parts of their legal rights over these entities while mncs also give up portions of their rights as proxies of global

capitalism by complying with local government guidelines to ensure infrastructure and cheap labor this ethnography demonstrates how a particular mnc struggled with the pressure to be increasingly profitable while negotiating the clash of korean and chinese cultures traditions and classes on the factory floor of a garment corporation chinese labor in a korean factory pays particular attention to common features of post socialist countries by analyzing the contentious collaboration between foreign management factory workers government officials and gangs this study contributes not only to the research on the politics of resistance but also to how global and local forces interact in concrete and surprising ways

in this third volume of the series research on education in africa the caribbean and the middle east the volume continues with the previously established overarching purpose of publishing chapters that are based upon research conducted in those regions by scholars many of whom are indigenous to the regions they write about and are therefore able to provide cultural insights about relevant issues as well as nonindigenous scholars who have conducted their studies in countries within the regions or about those regions this mixture of indigenous scholarship offering emic perspectives and outside scholarship offering etic perspectives continues to be a relative strength and uniqueness of this book series in addition several chapters in the current volume constitute collaborations between the authors etic and emic to the contexts about which they write this bifocality in the gaze cast upon issues covered in this book series has been well received by readers of earlier volumes of the series
