borges svelt set a goal a goal that he has no hope of achieving writing 100 000 words
in one day at first he takes baby steps averaging 25 000 words per day before
encountering his first obstacle with a little ingenuity can the eccentric author conquer
his dream or is he totally out of his league approximately 5 400 words in all excerpt
from the crappiest author borges svelt wasn't about to hit the new york times
bestseller list anytime soon heavens no he was one of those dreadful self published
authors eek shunned by the industry and despised by his traditionally published peers
like them he was eccentric in many ways from his tacky plaid socks that doubled as
hand warmers to naming every member of the brady bunch whenever he reached a
mental roadblock while some writers prefer to stand while they write or sail the seven
seas while banging away on their trusty typewriter borges felt right at home on his
shiny porcelain throne of course he didn't mount the toilet with all of his clothes on
that would suggest that he was the least bit sane on the contrary he did not wear a
shred of clothing he was the pantless author ready for anything that came rumbling
through his feeble brain or lower intestine
