a theoretically cutting edge ethnography of neoliberalism as suffered by most poor people across the globe pine creatively links macro structural forces in honduras to the everyday life of factory workers shanty town dwellers gang kids alcoholics and crack smokers within the context of globalized consumerism and the history of u s domination of central america philippe bourgeois author of in search of respect gutsy fieldwork a compassionate analysis of the links between work violence corporate capitalism american empire and self worth it will make your blood boil laura nader university of california berkeley using largely the voices of others pine s rigorous but sensitive anthropological approach interweaves gangs work religion drink politics and even globalization to show clearly how violence pervades the everyday life of many hondurans it is a realistic tour de force dwight b heath brown university

heavy drinking informs the general public for the first time how recent research has discredited almost every widely held belief about alcoholism including the very concept of alcoholism as a single disease with a unique cause herbert fingarette presents constructive approaches to heavy drinking including new methods of helping heavy drinkers and social policies for preventing heavy drinking and the harms associated with it

this volume is an important contribution to our understanding of culture and alcohol in the united states its appearance is also a milestone in the history of alcohol studies in american anthropology over the last six years the volume s editors initially along with miriam rodin have served as the

coorganizers of the alcohol and drug study group of the american anthropological association aaa in this capacity they have organized sessions at the aaa and other meetings greatly strengthened the research network with a regular and informative newsletter and painstakingly promoted the publication of anthropological work on alcohol and drugs appearing just as the responsibility for the study group is passed on to others this book is a fitting emblem of the care and energy with which its editors have built an institutional nexus for alcohol and drug anthropology in north america the contents of this volume offer a uniquely wide sampling of the diversity of cultural patterns that make up the american experience with alcohol the collective portrait the editors have assembled extends in several dimensions through time and history across such social differentiations as gender age grade and social class and through such major social institutions as the church and the family clearly the dominant dimension of variation in the material that follows however is ethnicity the book offers us a sampler of unprecedented richness of the different experiences with alcohol of american ethnoreligious groups

in drinking in america bestselling author susan cheever chronicles our national love affair with liquor taking a long thoughtful look at the way alcohol has changed our nation's history this is the often overlooked story of how alcohol has shaped american events and the american character from the seventeenth to the twentieth century seen through the lens of alcoholism american history takes on a vibrancy and a tragedy missing from many earlier accounts from the drunkenness of the pilgrims to prohibition hijinks drinking has always been a cherished american custom a way to celebrate and a way to grieve and a way to take the edge off at many pivotal points in our history the illegal mayflower landing at cape cod the enslavement of african americans the mccarthy witch hunts and the kennedy assassination to name only a few alcohol has acted as a catalyst some nations drink more than we do some drink less but no other nation has been the drunkest in the world as america was in the 1830s only to outlaw drinking entirely a hundred years later both a lively history and an unflinching cultural investigation drinking in america unveils the volatile ambivalence within one nation's tumultuous affair with alcohol

alcohol use by young people is extremely dangerous both to themselves and society at large underage alcohol use is associated with traffic fatalities violence unsafe sex suicide educational failure and other problem behaviors that diminish the prospects of future success as well as health risks □ and the earlier teens start drinking the greater the danger despite these serious concerns the media continues to make drinking look attractive to youth and it remains possible and even easy for teenagers to get access to alcohol why is this dangerous behavior so pervasive what can be done to prevent it what will work and who is responsible for making sure it happens reducing underage drinking addresses these questions and proposes a new way to combat underage alcohol use it explores the ways in which may different individuals and groups contribute to the problem and how they can be enlisted to prevent it reducing underage drinking will serve as both a game plan and a call to arms for anyone with an investment in youth health and safety

covering over 10 000 idioms and collocations characterized by similarity in their wording or metaphorical idea which do not show corresponding similarity in their meanings this dictionary presents a unique cross section of the english language though it is designed specifically to assist readers in avoiding the use of inappropriate or erroneous phrases the book can also be used as a regular phraseological dictionary providing definitions to individual idioms cliches and set expressions most phrases included in the dictionary are in active current use making information about their meanings and usage essential to language learners at all levels of proficiency

the clinician's guide to alcohol moderation examines alcohol use around the world and teaches a range of behavioral health care providers how to help clients practice alcohol moderation excavating the current treatments available for alcohol moderation the book offers step by step processes of engaging clients and their families self assessments and alcohol moderation tools in addition to using it in conjunction with practicing alcohol moderation a comprehensive workbook readers would benefit from the alcohol moderation assessment which predicts who may be able to successfully drink in moderation as well as developing and monitoring an alcohol moderation plan the text uses recognized alcohol moderation resources throughout the world as well as real

life case studies to address typical clinician client and family member questions it challenges the traditional recommendation that drinkers experiencing problems are alcoholics this guide is a resource for all who overdrink or know people who struggle with their alcohol use through its medium a broad range of health care providers receive a step by step process on how to practice alcohol moderation how to put tools into practice case examples and answers to the most commonly asked questions

drinking alcohol can be immensely pleasurable and life enhancing on the other hand it can be associated with danger and risk this book explores some of the implications of this dichotomy which creates many policy and practice dilemmas by a detailed exploration of the place of drinking in women s lives interviews and case studies show women s drinking practices to be constructive and autonomous responses to the social and material contexts of their lives

this expanded edition of working with children of alcoholics will be important for social workers psychologists school administrators teachers drug and alcohol counselors and pastoral counselors it is also an excellent supplemental text for practitioners in training and in graduate courses in family and community adjustment problems of youth substance abuse and human services

this book explores the significance of alcohol in the middle east and maghreb as a powerful catalyst of social and political division it shows that the solidarities and polarities created by disputes over alcohol are built on arguments far more complex than oppositions on religion or consumption alone in a region in which alcohol is banned by islamic rules yet allows its production and consumption alcohol has always been contentious however this volume examines the different forms of social authority religious cultural and political to offer a new understanding of drinking behaviours in the middle east and north africa it suggests that alcohol being at the same time an import and product of local industry epitomises the tensions inherent to the conforming of islamic societies to global trends which seek to redefine political communities social hierarchies and gender roles the chapters challenge common misconceptions about alcohol in this region arguing instead that medical discourses on alcohol dependency hide stances on national independence in an imperialist context that the focus on religion also tends to conceal disputes on alcohol as a social struggle and that disputes on inebriation are more about masculinity than judging private leisure in doing so the volume presents alcohol as a way of grasping the power relations that structure the societies of the middle east and maghreb

a spirited look at the history of alcohol from the dawn of civilization to the modern day alcohol is a fundamental part of western culture we have been drinking as long as we have been human and for better or worse alcohol has shaped our civilization drink investigates the history of this jekyll and hyde of fluids tracing mankind s love hate relationship with alcohol from ancient egypt to the present day drink further documents the contribution of alcohol to the birth and growth of the united states taking in the war of independence the pennsylvania whiskey revolt the slave trade and the failed experiment of national prohibition finally it provides a history of the world s most famous drinks and the world s most famous drinkers packed with trivia and colorful characters drink amounts to an intoxicating history of the world
