amusing poems written about various aspects of being fifty years old

the only relation that we get choose post birth is with whom are heart connects with many a times our heart overpowers our brain but that one time when it makes the best decision of our life is when we are ready to share our life with someone else everyone i can say i love you but the best thing someone can ever say when they are in love with you is i am yours forever this anthology has and a combination of writers who poured their heart out and expressed their version of i am yours forever books that will make you fall in love with love this phrase was our version of what love is and this book contains the versions of our extremely talented co authors

this book provides a rich feast of literary and philosophical insight offering as it does the first english commentary on luce irigaray s poetic text elemental passions it explores irigaray s images and intentions developing the gender drama that takes place within her book and draws the reader into the conversation between i woman and you man in the text

it is said that every life has a story and every story has a lesson forever just married is the story of a young man and woman who fell madly in love the first time they met and parlayed the initial fireworks into an amazing 55 year relationship overcoming betrayal heartbreak and deception the result is a unique coupling of two strong willed independent people who grew both individually and together because of one important decision they made along the way we will give in but we will never give up both agree they have been divorced and remarried many times but always to the same person the story traces the amazing journey of marilyn and kent pelz from their initial blind date in 1961 in mission hills kansas to their 30 year stint in one house overlooking the pacific ocean in malibu california to their current lives as minister and spiritual counselors in san jose in this book kent and marilyn reveal the major challenges they faced how they overcame these challenges and the lessons they learned about how to create a workable and sustainable relationship with each other and others forever just married is a chronological overview of the authors married life they highlight a particular struggle or unconscious behavior that played out over their lifetimes and how they overcame it and the lessons they learned they offer suggested exercises that the reader and his her partner can utilize to fully benefit from the authors life experiences

on may 19 1933 president franklin d roosevelt announced the appointment of arthur morgan 1879 1975 a water control engineer and college president from ohio as the chairman of the newly created tennessee valley authority tva with the eyes of the nation focused on the reform and recovery promised by the new deal morgan remained in the national spotlight for much of the 1930s in this thoughtful biography aaron d purcell re assesses morgan s long life and career and provides the first detailed account of his post tva activities as purcell demonstrates morgan embraced an alternative types of progressive era reform that was rooted in nineteenth century socialism an overlooked strain in american political thought purcell pinpoints morgan s reading of edward bellamy s looking backward while a teenager as a watershed moment in the development of his vision for building modern american society he recounts morgan s early successes as an engineer budding progressive leader and educational reformer his presidency of antioch college and his revolutionary but contentious tenure at the tva after his dismissal from the tva morgan eventually published over a dozen books including a biography of bellamy while supporting community building efforts across the globe morgan retained many of his late nineteenth century beliefs including eugenics as part of his societal vision his authoritarian administrative style and moral rigidity limited his ability of attract large numbers to his community based vision by presenting morgan s life and career within the context of the larger social and cultural events of his day this revealing biographical study offers new insight into the achievements and motivations of an important but historically neglected american reformer book jacket

with the use of artificial intelligence ai the border that has traditionally separated fact or nonfiction and fiction has become increasingly porous think of posts on social media by bots pretending to be human altered photos and videos including deep fakes science fiction has always held a special place in this divide it is often the nonfiction of tomorrow in this book the author crosses the border in both directions using fiction to teach the law of ai by asking the reader to follow christine jacobson a law professor and her students in discussing what it means to be human in the age of ai humanoid robots and cyborgs as her boyfriend prepares the world for what's next crisscrossed by world travel peppered with fine food and wines filled with russian poetry and cinema and reflections about life and death this book invites the reader to a world in which technology allows humans to live forever as long as they are willing to die first

leading us chapter by chapter through the hebrew bible's most important stories from the creation and the tree of knowledge through the exodus from egypt and the journey to the promised land kugel shows how a group of anonymous ancient interpreters radically transformed the bible and made it into the book that has come down to us today

in this book stephen cave and john martin fischer debate whether or not we should choose to live forever this ancient question is as topical as ever while billions of people believe they will live forever in an otherworldly realm billions of dollars are currently being poured into anti ageing research in the hope that we will be able to radically extend our lives on earth but are we wise to wish for immortality what would it mean for each of us as individuals for society and for the planet in this lively and accessible debate the authors introduce the main arguments for and against living forever along with some new ones they draw on examples from myth and literature as well as new thought experiments in order to bring the arguments to life cave contends that the aspiring immortalist is stuck on the horns of a series of dilemmas such as boredom and meaninglessness or overpopulation and social injustice fischer argues that there is a vision of radically longer lives that is both recognizably human and desirable this book offers both students and experienced philosophers a provocative new guide to a topic of perennial importance key features gives a comprehensive overview of the main arguments for and against living forever uses lively examples from myth literature and novel thought experiments highly accessible avoiding jargon and assuming no prior knowledge without sacrificing intellectual rigour includes helpful pedagogical features including chapter summaries an annotated reading list a glossary and clear examples

this book is a thorough and thought provoking account of the first year of existence of the 60th australian infantry battalion interspersed with divisional brigade and other battalion's perspectives are the personal views of officers and other ranks relating to events and places included in the story is an investigation into a previously untold account of a group of soldiers called the needle trench 10 who were killed by a single artillery shell on the 26th november 1916 for more than 100 years the identity of one of these soldiers buried in the guards cemetery at lesboeufs france has been lost to time a document filed in the archives of the commonwealth war graves commission in maidenhead england for over 100 years and only coming to light in 2021 has finally enabled this soldier's possible identity to be established also revealed in the same document is the initial burial location of another soldier wounded by the same artillery shell and dying later that day whilst on

his way to receive medical treatment woven throughout the book are the human stories of the battalion s soldiers including biographies of those killed on the 26th november with many of the details provided by the descendants of these soldiers the investigation details how a simple bookkeeping entry resulted in families and descendants of ten of the eleven soldiers who died on the 26th november being provided incorrect details concerning their deaths this error has been perpetuated in official documents publications online resources and inscribed in stone since this time

the routledge handbook of applied linguistics serves as an introduction and reference point to key areas in the field of applied linguistics the five sections of the volume encompass a wide range of topics from a variety of perspectives applied linguistics in action language learning language education language culture and identity perspectives on language in use descriptions of language for applied linguistics the forty seven chapters connect knowledge about language to decision making in the real world the volume as a whole highlights the role of applied linguistics which is to make insights drawn from language study relevant to such decision making the chapters are written by specialists from around the world each one provides an overview of the history of the topic the main current issues and possible future trajectory where appropriate authors discuss the impact and use of new technology in the area suggestions for further reading are provided with every chapter the routledge handbook of applied linguistics is an essential purchase for postgraduate students of applied linguistics editorial board ronald carter guy cook diane larsen freeman and amy tsui

no other silent film director has been so extensively studied as d w griffith however only a small group of his more than five hundred films had been the subject of a systematic analysis now for the first time in film studies the complete creative output of griffith from professional jealousy 1907 to the struggle 1931 is explored in this multi volume collection of contributions from an international team of leading scholars in the field created as a companion to the ongoing retrospective held by the pordenone silent film festival the griffith project is now an indispensable guide to his work this is the final volume of the project

this book critically explores answers to the big question what produced our universe around fifteen billion years ago in a big bang it critiques contemporary atheistic cosmologies incl steady state oscillationism big fizz that affirm the eternity self sufficiency of the universe without god it defends and revises process theology and arguments for god s existence from the universe s life supporting order contingent existence
