nearly as global in its ambition and sweep as its subject franco moretti s the novel is a watershed event in the understanding of the first truly planetary literary form a translated selection from the epic five volume italian il romanzo 2001 2003 the novel s two volumes are a unified multiauthored reference work containing more than one hundred specially commissioned essays by leading contemporary critics from around the world providing the first international comparative

reassessment of the novel these essential volumes reveal the form in unprecedented depth and breadth as a great cultural social and human phenomenon that stretches from the ancient greeks to today where modernity itself is unimaginable without the genre by viewing the novel as much more than an aesthetic form this landmark collection demonstrates how the genre has transformed human emotions and behavior and the very perception of reality historical statistical and formal analyses show the novel as a complex literary system in which new forms proliferate in every period and place volume 2 forms and themes views the novel primarily from the inside examining its many formal arrangements and recurrent thematic manifestations and looking at the plurality of the genre and its lineages these books will be essential reading for all students and scholars of literature

modern science in the light of unification thought a exploration starting with quantum physics and concluding with the origin of mankind

part of a series filled with gratifying detail about the ancestry of the first us president this volume contains the tenth generation descendants robert k krick author of the smoothbore volley that doomed the confederacy stonewall jackson at cedar mountain and lee s colonels this is the sixth volume of dr justin glenn s comprehensive history that traces the presidential line of the washingtons the vast family originated by the immigrant john washington who settled in westmoreland co va in 1657 married anne pope and became the great grandfather of president george washington this volume contains the late nineteenth and twentieth century born descendants of john washington s daughter anne washington wright and as such transports the reader through many of the major historical events of those eras by providing the stories of the family members who lived through them although structured in a genealogical format for the sake of clarity this is no bare bones genealogy but a true family history with over 1 200 detailed biographical narratives these in turn strive to convey the greatness of the family that produced not only the father of his country but many others great and humble who struggled to build that

country it is surprising that no comprehensive family history has been published justin m glenn s the washingtons a family history finally fills this void for the branch to which general and president george washington belonged identifying some 63 000 descendants john frederick dorman editor of the virginia genealogist 1957 2006 and author of adventurers of purse and person explores the possibility of writing epic in an age of alternative facts

social trinitarians have not been shy about positing community as the chief ontological category for trinitarian discourse as beneficial as this is social trinitarians have typically been less helpful in advocating the sort of human community for the trinitarian analogy that most people would probably find desirable to use the example of a marriage one has often been forced to choose between a fully egalitarian view where the spouses supposedly have no differences from each other and a hierarchical view where a husband exercises a unilateral and oppressive power over his wife this book advocates a third alternative for the sort of community present in the trinity just as genuine teamwork is generally desirable in various human communities the divine persons have a mutual hierarchy relationship with each other here each divine person has a unique hierarchy over the others and yet each uses this hierarchy to serve the others in a dignified way recognizing this mutual hierarchy of the divine persons fosters a view of the trinity that is maximally social in keeping with the name social trinitarianism in proceeding thus the book attempts to in a unique way show the harmony between systematic theology exegesis and practice

over the last four decades the largest french speaking state in north america quzbec has nested more than a dozen vibrant modes of french expression created by members of the varied cultural communities that have settled there voices of exile in contemporary canadian francophone literature examines the works of several first generation canadian authors originating from lebanon iraq egypt and the maghreb who produced a trilingual literature that reflects the diversity of their cultural backgrounds by casting a critical eye on the works of saad elkhadem naim kattan abla

farhoud wajdi mouawad and hzdi bouraoui f elizabeth dahab explores themes styles and structures that characterize the oeuvre of those authors dahab demonstrates that their mode is exile and in so doing she reveals the ways in which these writers seek to shape their art using a host of innovative techniques that engage their renewed cultural identity

this book is an authentic collection of critical essays compiled as part of response to a situation that is hazardous to life on our planet the current ecological crisis its twelve chapters innovatively engage with multiple facets of the intricate relationship between literature and ecology covering texts genres movements philosophies and contexts spanning a long period of historical time and a variety of milieus the volume adopts an approach that unravels the premises and assumptions that sustain the modern world view and contemporary knowledge systems

with studies of amongst others miguel de cervantes anton chekhov charles baudelaire and henry james this landmark collection of essays is a unique and wide ranging exploration and celebration of the many forms of digression in major works by fifteen of the finest european writers from the early modern period to the present day
