ever wondered why secret societies are secret why is it that an overwhelming majority of elite leaders in america including those who've occupied the highest office have belonged to an organization in the vast network of secret societies whose rituals and teachings derived from the ancient mystery schools of egypt and babylon why is death the penalty for breaking a secret society oath why do they pay homage to pagan gods and goddesses why do many self proclaimed christians belong to these secret societies when their practices blatantly violate god's commandments such as exodus 20:3 which

states thou shalt have no other gods before me and why don't their pastors say anything about it is there a secret motive behind the positive pr that many of these secret organizations receive for their good deeds such as feeding programs scholarships volunteering youth mentoring etc that even the lower ranking members of these societies don't know about could today's network of these secret societies be the architects and workers of the antichrist new world order aka illuminati as prophesied in the holy bible these questions and more will be answered by author and evangelist rayford l johnson who has spent more than 20 years researching writing and teaching on the occult johnson has counseled and ministered demon deliverance prayers on many former members of the occult many of them have testified that they have been set free by the power of jesus christ from the spiritual torment and generational curses that the pagan rituals and oaths have unknowingly brought upon them and even their family through the spiritual legalities of breaking god's commandments the truth shall make you free john 8:32 thugexposed.org

there has been a dramatic resurgence of interest in early african american writing since the accidental rediscovery and republication of harriet wilson's *Our Nig* in 1983 the works of dozens of 19th and early 20th century black writers have been recovered and reprinted there is now a significant revival of interest in the harlem renaissance of the 1920s and in the last decade alone several major assessments of 18th and 19th century african american literature have been published early african american literature builds on a strong oral tradition of songs folktales and sermons slave narratives began to appear during the late 18th and early 19th century and later writers began to engage a variety of themes in diverse genres a central objective of this reference book is to provide a wide ranging introduction to the first 200 years of african american literature included are alphabetically arranged entries for 78 black writers active between 1745 and 1945 among these writers are essayists novelists short story writers poets playwrights and autobiographers each entry is written by an expert contributor and provides a biography a discussion of major works and themes an overview of the author's critical reception and primary and secondary bibliographies the volume concludes with a selected general bibliography

thirty years ago there were nine african americans in the u.s. house of representatives today there are four times that number in going home the dean of congressional studies richard f. fenno explores what representation has meant and means today to black voters and to the politicians they have elected to office fenno follows the careers of four black representatives louis stokes barbara jordan chaka fattah and stephanie tubbs jones from their home districts to the halls of the capitol he finds that while these politicians had different visions of how they should represent their districts in part based on their individual preferences and in part based on the history of black politics in america they shared crucial organizational and symbolic connections to their constituents these connections which draw on a sense of linked fates are ones that only black representatives can provide to black constituents his detailed portraits and incisive analyses will be important for anyone interested in the workings of congress or in black politics
