away but barnes has discovered that just the opposite is true during times of change and seeming abandonment god is right at our side offering to lead us in a new direction offering us new life he writes a young widow can outlive her grief and decide her life may never be the same but is far from over a lost job can become the beginning of a new vocation here is the book for all who have known disappointment bereavement or the shattering of faith a book all the more valuable because it promises hope without denying despair in when god interrupts a sensitive insightful pastor shows us how we can be found by god in the middle of unwanted change
