an introduction and verse by verse commentary on the old testament books of ruth esther ecclesiastes song of solomon and lamentations

the book of job has captured the imagination of christians and non christians alike in this study ronald hesselgrave shows how the personal story of job s intense struggle with suffering is representative of the pain and vexation within the entire creation and how job s eventual healing and restoration in the context of his relationship to god is

connected to the grand narrative of god's purpose to redeem humanity and defeat evil in the world he explores the themes of creation evil lament justice and god's sovereignty grace and redemption within the separate speeches in job and against the backdrop of wisdom literature as a whole a further concern of this study is with the pastoral or practical value of the book of job both for caregivers and those who may themselves be going through the valley of deep trauma and suffering dr hesselgrave brings together theological social and psychological insights in a way that deepens our understanding of suffering and provides the basis for a more holistic and comprehensive response to the needs of those who suffer a final summary of the implications of job for a practical theology of suffering is given in the conclusion

make your study personal and your devotions serious you study the bible to connect with god's heart the nlt study bible gives you the tools you need to enter the world of the bible so you can do just that including over 25 000 study notes plus profiles charts maps timelines book and section introductions and approximately 300 theme notes the nlt study bible will make your study personal and your devotions serious this new large print edition features a generous 10 point font the new living translation breathes life into even the most difficult to understand bible passages changing lives as the words speak directly to their hearts

message and to share it with others

in this book michael washburn provides a psychoanalytic foundation for transpersonal psychology using psychoanalytic theory washburn explains how ego development both prepares for and creates obstacles to ego transcendence spiritual development he proposes can be properly understood only in terms of the ego development that precedes it for example many difficulties encountered in spiritual development can be traced to repressive underpinnings of ego development and significant gender differences in spiritual development can be traced to corresponding gender differences that emerge during ego development washburn draws on a wide range of psychoanalytic perspectives in discussing ego development and uses both eastern and western sources in discussing spiritual development in rethinking transpersonal psychology in psychoanalytic terms he explains how essential elements of jungian thought can be grounded in psychoanalytic theory

written in 1954 and published in 1981 this fascinating study remains authoritative as an account of a body of opinion about women s nature and role that was in vogue in america during the first half century after independence combining intellectual and social history this work was one of numerous attempts being made at the time to add depth to american social history dealing with women and women s experiences before feminism the author explores british sources of american thought as well presenting an early comparative history and offers a focus on religion to show how processes of change to ideas about women occurred
