it gives me immense pleasure to welcome all to explore publish comment in on our journal the international journal of indian psychology
ijip there are a lot of challenges which the growing psychological face in the realms of basic necessities in life psychological thoughts can
play a very distinct role in bringing about this change one of the key objectives of research should be its usability and application this
journal attempts to document and spark a debate on the research focused on psychological research and ideas in context of emerging
geographies the sectors could range from psychological education and improvement mental health environmental issues and solution health
care and medicine and psychological related areas the key focus would however be the emerging sectors and research which discusses
application and usability in social or health context we intended to publish case reports review articles with main focus on original research
articles over objective is to reach all the psychological practitioners who have knowledge and interest but have no time to record the
interesting cases research activities and new innovative procedures which helps us in updating our knowledge and improving our treatment
finally i would like to thank red shine international publications inc for this keepsake and my editorial team technical team authors and well
wishers who are promoting this journals with these words i conclude and promise that the standards policies will be maintained we hope
that the research featured here sets up many new milestones i look forward to make this endeavour very meaningful
