the irs must be replaced the irs is not producing the revenues needed to grow our economy the fact that more poor and lower income americans pay little or no taxes and the rich and big business have tax loopholes plus the growing number of americans who don't even file any income taxes compiled with many tax cheaters it's little wonder why federal revenues are declining when they should be increasing we also have a growing underground economy in america as more and more americans and illegals are dealing with cash only and not paying any income taxes this underground economy is at least 500 billion a year we must have a national consumption tax aka national volume added or national sales tax as of jan 1 2011 we can make it 10 percent on everything five percent of this national consumption tax goes to the federal government and five percent goes to the states to pay for the unfunded mandates the federal government passes also as of 2011 the irs should cut irs taxes in half and make them much more simple in a year or two if the national consumer tax increases federal and state revenues we can double it to 20 percent and nearly eliminate the irs a national value added sales tax will let america receive revenues from goods sold in america by slave labor countries and eliminate the cash only underground economy whereas i suggest that the states receive 50 percent of the revenue received by a national sales tax aka value added tax the states could collect and monitor this tax with the exception of two or three states with no sales tax they could implement and enforce this consumption tax with a few new employees we must financially help the states because a chain is only as strong as its weakest link health care bill is not funded president obama said this health care legislation will be the greatest legislation since roosevelt passed the social security act however unlike social security it is an unfunded mandate which exceeds the ability of big and small businesses to pay for it is a socialistic boondoggle incognito it is my opinion that big business and small business cannot afford to pay for health insurance for the many americans whom they employ the health care bill will cause more unemployment in america
