never come second place again if you re not winning you re losing and you don t want to be a loser do you life is full of opportunities to win or lose on a daily basis want to win arguments negotiate better and get your way in more discussions want to pitch ideas that win support and plaudits want to get yourself noticed and come out on top in the job market discover how to triumph when it really counts how can you gain the competitive advantage and come first more often learn how to avoid that frustration of not succeeding when your point isn t heard in an argument or your hard fought pitch is rejected and to achieve the results you know you deserve the science of winning drawing on the latest research and proven psychological principles bestselling author and psychologist dr rob yeung outlines practical success strategies and powerful scenarios that you can apply to all facets of your life this is your strategy book for success at work and in life get

the breaks beat the others and take your life to a whole new level

how to master the art of sales pitches pulling off the perfect sales pitch is an art worth learning because knowing how to make a great sales pitch not only leads to better business it also helps you deal with other situations in life where you need the power and skill to influence someone's decision but the perfect sales pitch is not about walking away victorious leaving your opponent in the dust a client is not an opponent they are a partner but all too often you see that pushy salesman that approaches the sales pitch like a race that he or she needs to win this kind of approach will only hurt your success a great sales pitch requires subtlety patience and meticulous precision it's definitely not easy to master but that's good news if it was easy everyone would be doing it and you would have a lot more competitors to contend with here's what you'll find in the book the top mistakes to avoid in a sales pitch getting prepared to make a sales pitch turn your sales pitch into a conversation turn your product into a solution speak your client's language so much more when you download communication skills how to master the art of sales pitches you will soon look forward to meeting new business partners and present your product to them buy this book today would you like to start today if you do just scroll up and hit the buy button enjoy

in business there is a moment when everyone has to make a pitch it might be your own personal OK corral when the consequences of failure are too painful to even contemplate but it will always be an occasion where the outcome really matters brilliant pitch will equip people to tackle pitch situations however tough improve their own skills and importantly leave them enthused about the idea of pitching and looking forward to the next one it will do so first by outlining how to approach any pitch then how to tailor the approach in different situations there are secrets from the masters there are pitch stories such as the agency which pitched to British Rail and deliberately kept them waiting in reception for an hour with bad refreshments and no explanation for the delay the book brings the process to life rather than simply listing things to do it shows readers how they too can become great at pitching brilliant outcomes it eliminates the possibility of doing a bad pitch it will help readers get the content and preparation spot on by focusing on the needs of the audience it will help give readers tons of confidence so they'll not only deliver brilliant pitches but they'll be eager to pitch time and time again

every product started as an idea a thought in someone's mind thousands or even millions of people had the same idea and one of those ideas became a reality not because it was the best idea but because its creator had the courage and confidence to share it it wasn't necessarily the best idea it was the best pitched this book is called the pitching bible because it contains everything you need to know to develop your skills as an engaging and compelling presenter it won't teach you how to design computer slides because they are not the pitch you are the message you are the product you are the pitch by reading and taking to heart these principles you will be better at what you do if you read this book think that doesn't apply to me or I've already tried that and do nothing then it won't work these seven secrets born out of the lectures that I have delivered all over the world are the distillation of my years of real life front line experience I've discovered the hard way what works and after spending many years training and coaching people in developing the perfect pitch it's time for me to share these secrets with you this book will not make your ideas any better it probably won't make you have your ideas any sooner although with more confidence you might well find yourself pitching your ideas much sooner than you would have done this book will definitely help you to get your ideas across more effectively and because

of that this book contains the seven secrets to your competitive advantage

master the pitch win the moment close with confidence whether you re selling a product a vision or yourself your pitch is everything pitch with power is your ultimate playbook for persuasive communication high impact storytelling and confident presentations this isn t just about selling it s about owning your voice value and the room inside you ll learn how to rewire fear into confidence and clarity craft magnetic messages that grab attention and stick use proven persuasion frameworks like aida spin and cialdini s principles build pitch decks and elevator pitches that win hearts and deals present with presence using voice body language and flow handle objections and close like a pro from boardrooms to investor meetings job interviews to global stages this book equips entrepreneurs creators consultants and speakers with the tools to pitch with power and purpose if you can pitch it you can win it let this book be your edge

great baseball pitchers possess more than sound mechanics a blazing fastball and a good arm they know how to pitch what ball to throw when to throw it and where to aim it this book takes you inside the art and science of pitching it covers topics ranging from pre game warm ups to cultivating the pitcher catcher relationship

learn how to pitch
