a wonderful book for thinking about how to release ourselves from crippling processes it s time for men and for all of us to stand
up and say give us back our full humanity give us back our dignity paul gilbert phd author of the compassionate mind in a recent
fivethirtyeight poll 60 percent of men surveyed said society puts pressure on men to behave in a way that is unhealthy or bad men
account for 80 percent of suicides in the united states and three in ten american men have suffered from depression ed adams and
ed frauenheim say a big part of the problem is a model of masculinity that s become outmoded and even dangerous to both men
and women the conventional notion of what it means to be a man what adams and frauenheim call confined masculinity traps men
in an emotional straitjacket steers them toward selfishness misogyny and violence and severely limits their possibilities as an
antidote they propose a new paradigm liberating masculinity it builds on traditional masculine roles like the protector and provider
expanding men s options to include caring collaboration emotional expressivity an inclusive spirit and environmental stewardship

through hopeful stories of men who have freed themselves from the strictures of confined masculinity interviews with both leaders and everyday men and practical exercises this book shows the power of a masculinity defined by what the authors call the five cs curiosity courage compassion connection and commitment men will discover a way of being that fosters healthy harmonious relationships at home at work and in the world

referencing early modern english play texts alongside contemporary records accounts and statutes this study offers an overdue assessment of the relationship between the dramatic efforts of the universities and early modern male identity taking into account the near single sex constitution of early modern universities the book argues that performances of university plays and student responses to them were key ways of exploring and shaping early modern masculinity christopher marlow shows how the plays dealt with their academic and social contexts and analyses their responses to competing versions of masculinity he also considers the implications of university authority and royal patronage for scholarly performances of masculinity the effect of the literary traditions of classical friendship and platonic love on academic representations of male behaviour and the relationship between university drama and masculine initiation rituals including discussion of the parnassus trilogy club law and works by thomas randolph william cartwright john milton and others this study shines new light on long neglected aspects of the golden age of english drama

recent years have seen a rise in the popularity and quantity of quality television programs many of which featuring complicated versions of masculinity that are informed not only by the women s movement of the sixties and seventies but also by several decades of backlash and debate about the effects of women s equality on men masculinity and the relationship between men and women drawing upon studies of contemporary television programs including popular series viewed internationally such as mad men the league hung breaking bad louie and girls this book explores the ways in which popular cultural texts address widely circulating discourses of the ostensible crisis of masculinity in contemporary culture a rich study of masculinity and its representation in contemporary television masculinity in contemporary quality television will appeal to scholars and students of cultural and media studies popular culture television studies and cultural sociology with interests in gender masculinities and sexuality

in masculinity and queer desire in spanish enlightenment literature mehl allan penrose examines three distinct male figures each of which was represented as the other in eighteenth and early nineteenth century spanish literature the most common configuration of non normative men was the petimetre an effeminate francophile male who figured a failed masculinity a dubious sexuality and an invasive french cultural presence also inscribed within cultural discourse were the bujarrón or sodomite who participates in sexual relations with men and the arcadian shepherd who expresses his desire for other males and who takes on agency as the voice of homoerotica analyzing journalistic essays poetry and drama penrose shows that spanish authors employed queer images of men to

engage debates about how males should appear speak and behave and whom they should love in order to be considered real spaniards penrose interrogates works by a wide range of writers including luis cañuelo ramón de la cruz and félix maría de samaniego arguing that the tropes created by these authors solidified the gender and sexual binary and defined and described what a queer man was in the spanish collective imaginary masculinity and queer desire engages with current cultural historical and theoretical scholarship to propose the notion that the idea of queerness in gender and sexuality based on identifiable criteria started in spain long before the medical concept of the homosexual was created around 1870

drawing on extensive field research conducted in north america and britain over a twenty year period this book challenges masculine myth making mindful of a rich sociological tradition that seeks to understand the social world as lived and experienced the authors provide insights that are likely to challenge common perceptions of various groups of men and boys their diverse physical cultures shared ways of being and identities

this historic book may have numerous typos and missing text purchasers can usually download a free scanned copy of the original book without typos from the publisher not indexed not illustrated 1917 edition excerpt ill hunger for woman by the term hunger for woman i mean those feelings which normally find their satisfactions in the nature of woman this refers to mind heart and character as well as to body it includes all those incompletenesses that find their fulfilment in woman for it is the man and woman together that form the social unit a person in love may act almost as a hypnotized person does acting thinking feeling nothing but the flood of love and desire that pours through him asleep or awake working or playing one feeling one desire is ever before the heart love may come with the suddenness of a summer storm this means i take it that the body and heart are already set up for love so that with exactly the right stimulus the whole being is in the fever of love the state of being in love may last for years or may be but a passing episode technical descriptions of sex love and its phenomena are foreign to the purpose of this book let me turn therefore to sex hunger and indicate some classes of ways in which it may seek and find its more or less complete satisfactions 1 a man may

love and marry a woman and discover year after year that she is increasingly attractive that she grows in tenderness and beauty of life that comradeship with her becomes increasingly vital he finds that the physical elements of sex while basic are but the foundation for the real structure of beauty he delights in the way she looks at things he brings each new thing each new book or picture or friend to her to see how she reacts that is she is feminine he finds that no one appreciates him as his wife does i do not mean a blind stupid praise i mean real intelligent appreciation she understands his failures as well as his

biddulph tackles two critical social issues creating a healthy masculinity and how men can free themselves from crippling and outdated roles the new manhood touches the heart of almost everyone who reads it and provides a clear and practical roadmap of what to do women find it a revelation and profoundly moving men gain recognition and a sense of hope that life can be different

this book is primarily a study of man and ultimately embraces all the great qualities and problems of man as a study of man it takes into consideration all the characteristics which make man what he is if some readers do note the absence of certain expressions familiar to them it does not mean that the author does not feel or think as many other people he does and very much so but in this book an effort has been made to approach the problem of man from a scientific mathematical point of view and therefore great pains have been taken not to use words insufficiently defined or words with many meanings the author has done his utmost to use such words as convey only the meaning intended and in the case of some words such as spiritual there has been superadded the word so called not because the author has any belief or disbelief in such phenomena there is no need for beliefs because some such phenomena exist no matter what we may think of them or by what name we call them but because the word spiritual is not scientifically defined and every individual understands and uses this word in a personal and private way to be impersonal the author has had to indicate this element by adding so called i repeat once again that this book is not a materialistic or a spiritualistic book it is a study of man and therefore does and should include materialistic as well as spiritual phenomena because only the complex of these phenomena constitutes the complex of man
