critical discourse analysis in translation studies is the first textbook to provide a systematic treatment of how cda may be applied to the analysis of translated and interpreted texts kyung hye kim provides in depth explanations about how various strands of cda from the m a k hallidayan analytical framework to norman fairclough s dialectical relationship model and teu van dijk s ideological square can be employed in translation studies to deliver rich analyses of translated text she demonstrates the ability of cda to address complex translation practices in both traditional and digital media using various examples in different languages with numerous exercises using authentic texts this textbook empowers readers to apply a cda framework in their own work this accessible textbook is essential reading for all students of discourse and text analysis within translation and interpreting studies

in june 2018 leeds united made an appointment that shocked the footballing world despite being stuck in the second tier of english football and tagged the championship s perennial chokers they attracted one of the most revered coaches in world football what followed captivated the hearts and minds of leeds united s legion of passionate supporters worldwide marcelo bielsa has

crafted a team in his image a team that plays in an almost bewildering attacking style with fluidity across the pitch leeds have become synonymous with exciting attacking vertical football and this style has seen them promoted back to the premier league professional football analyst lee scott explains how breaking down the tactics that have made leeds so successful during bielsa s time he shows just how they occupy spaces and overload defences how they press and cut off passing lanes to deny the opposition space to attack in the defensive phase and more than that he delves into bielsa s mindset to explain what makes the argentine mastermind tick

marcelo bielsa is one of football s greatest eccentrics and greatest enigmas this will be the first english biography of one of football s most contradictory characters he has coached some of the greatest names in world football gabriel batistuta carlos tevez javier mascherano juan sebastian veron and ander herrera he has been cited as a mentor by pep guardiola mauricio pochettino and diego simeone yet marcelo bielsa remains one of the great enigmas of world football a fabulously innovative and obsessive coach who has transformed leeds united marseille and athletic bilbao he also lasted two days at lazio and led argentina to their greatest footballing disaster featuring interviews from across south america europe and yorkshire the quality of madness is a comprehensive and compelling biography tracing bielsa s story from growing up as a member of one of argentina s most remarkable families to his revival of leeds bielsa has long been known as el loco the madman and yet as tim rich s revelatory study reveals there is mercurial method and audacious logic to the madness

first published in 2010 translators and interpreters are frequently found at the centre of attempts to wage war or negotiate peace between opposing factions translation and interpreting also serve a vital function in communicating a conflict locally and globally as interested parties attempt to legitimize their actions appeal for assistance and enlist support for their cause and the condemnation of their stated enemy the unavoidable independent exercises of judgement that interpreters and translators make through their participation in or re narration of a conflict and the decisions that go with them provide clear and strong evidence for the lead role in the construction of meanings and identities that interpreters and translators assume in situations of conflict irrespective of their historical or geopolitical setting this special issue of the translator explores the role of translators and interpreters in a number of conflicts from the 20th century to the present drawing on fictional and non fictional texts legal and peacekeeping settings and reports from war zones contributors to this volume explore the overlapping themes of mediation agency and ethics in relation to translators and interpreters as they negotiate the political social cultural linguistic and ethical factors that converge often dangerously in situations of armed conflict
