apart from a handful of exotic and almost completely unreliable tales surrounding his life richard potter is almost unknown today two hundred years ago however he was the most popular entertainer in america the first showman in fact to win truly nationwide fame working as a magician and ventriloquist he personified for an entire generation what a popular performer was and made an invaluable contribution to establishing popular entertainment as a major part of american life his story is all the more remarkable in that richard potter was also a black man this was an era when few african americans became highly successful much less famous as the son of a slave potter was fortunate to have opportunities at all at home in boston he was widely recognized as black but elsewhere in america audiences entertained themselves with romantic speculations about his hindu ancestry a perception encouraged by his act and costumes richard potter s performances were enjoyed by an enormous public but his life off stage has always remained hidden and unknown now for the first time john a hodgson tells the remarkable compelling and ultimately heartbreaking story of potter s life a tale of professional success and celebrity counterbalanced by racial vulnerability in an increasingly hostile world it is a story of race relations too and of remarkable highly influential black gentlemanliness and respectability as the unsung precursor of frederick douglass richard potter demonstrated to an entire generation of americans that a black man no less than a white man could exemplify the best qualities of humanity the apparently trivial popular entertainment status of his work has long blinded historians to his significance and even to his presence now at last we can recognize him as a seminal figure in american history

he was the pop star with the raccoon eyes who sang hollywood seven and six ribbons the swashbuckling pirate king in the pirates of penzance the rocker who packed beer barns across australia and in the words of tim rice a brilliantly judged and truly exciting judas in jesus christ superstar on the small screen he was as comfortable portraying bobby rivers in all together now as he was jonathan garrett in against the wind but there was a lot more to jon english he was a proud father of four who married his high school sweetheart he was so devoted to the parramatta eels that he wrote one of their team songs and he was also a composer whose rock opera paris proved to be the biggest challenge of his life written with the full support of jon s family friends and peers behind dark eyes swings from the massive highs of jesus christ superstar and pop stardom to the turmoil brought about by creative frustration and depression and jon s tragic death in 2016 at the age of 66

reprint of the original first published in 1836

who hasn t questioned who were my great grandparents where did they live what did they do my daughters asked these questions and more at their requests i began to write a family history including successes and failures no pirates were found lurking but i located two murders families do not live in a vacuum i included in laws friends neighbors and strangers who touched our lives as stories and traditions molded the family so did the times in which we lived the story of our family is part of the history of our town state and nation this saga is a microcosm of the nation rising out of depression wining a global war in a unity of spirit soaring to the happy heights of togetherness a zenith alas that this nation probably will never achieve again inescapably this book is also the story of my life

the areas of publicity public relations and promotions have been considered to be on the periphery of the media yet this revealing new book demonstrates that they form a fundamental component of the media industries with the decline of hard news being accompanied by the rise of gossip and celebrity in addition to making a substantial contribution to our

understanding of the cultural function of celebrity fame games outlines how the promotion industry has developed and how celebrity is produced promoted and traded within the Australian media while their analysis will inform academic debates on media practice internationally the authors have taken the unique step of investigating the workings of the Australian promotion industry from within interviews with over 20 publicists promoters agents managers and magazine editors have provided a wealth of information about the processes through which celebrity in Australia is produced

the body of this consolidated work is a list of 25 000 revolutionary war pensioners still living in 1840 with their ages and the names of the heads of families with whom they were residing based upon the returns of the sixth census of the U S the arrangement is by state or territory thereunder by county and in the case of some counties by minor subdivision thus a good deal about the origins of settlers of each county of the United States as well as the magnitude of migration into the various areas of the country can be gleaned from an examination of this work the census of pensioners is here reprinted with the typescript index to the work prepared by the Genealogical Society of the Church of Jesus Christ of Latter Day Saints in 1965

who is Alex is he the gifted businessman whose interests have netted him billions of dollars whose generosity and charm has beguiled the world's elite or is he the cold blooded killer accused by the French police of poisoning his lover a ruthless but brilliant conman who made millions by creating a fictitious persona Alexandre Despallières bewitched everyone he met with his disarming good looks and killer charm but this had tragic consequences for many he got close to as he left a trail of suspicious deaths in his wake posing as a billionaire businessman dying of an inoperable brain tumour Despallières seduced and married music industry legend Peter Ikin in 2008 just one month later Ikin died of a paracetamol overdose and Despallières was set to inherit his estate worth millions through a forged will as investigations unfolded other suspected victims emerged including Despallières's own parents others

narrowly managed to escape a similar fate such as a hollywood heiress who despallières convinced to adopt him and conned her out of hundreds of thousands of dollars despallières died in 2022 just before he was due to stand trial leaving unanswered questions behind in love until death chris hutchins untangles despallières s web of deceit and gains the trust of despallières himself who reveals his version of events for the first time
