explore the rich history of the philippines from pre colonial times through to the political cultural and environmental events of the 2010s readers will find a wealth of information on pre colonial and post colonial historical periods covering the philippines earliest inhabitants also covered are the modern tyrannical periods of the marcos dictatorship and former president duterte s controversial war on drugs as well as the more optimistic and promising presidencies in between among the many topics covered in this second edition are the feminization of outmigration that peaked at the end of the 20th century globalization and the spread of export processing zones and the impact of the call center culture coupled with that of the overseas diaspora on the changing structure of the traditional family ideal for high school and undergraduate readers this volume includes expanded and new chapters as well as an updated timeline and annotated bibliography

where in the world is the philippines is a question that has been deftly and consistently dodged by our politicians at the expense of clearly defining the philippines territorial and maritime jurisdictions severino s scholarly work lays out what has happened in the past and what must be done in the future and does so just as newly elected president benigno s aquino begins his term in office with the help of this timely and comprehensive study it is imperative that aquino and the congress confront and resolve territorial issues once and for all roberto r romulo former secretary of foreign affairs of the philippines

asia is one of the most rapidly developing regions in the world and knowledge of the individual countries is crucial for our understanding of the area the republic of the philippines composed of a chain of islands in southeast asia became a spanish colony during the 16th century and was then ceded to the united states following the spanish american war after independence in the 20th century the filipino people suffered under the 20 year rule of the dictator ferdinand marcos which ended as a result of a people power movement in 1986 since then the history of the philippines has been marked by several more political coups but a growing economy and democratic elections are increasing stability in the country artemio r guillermo covers more than four centuries of filipino history in this newly expanded and updated third edition of the historical dictionary of the philippines which contains more than four hundred entries on important persons places events and institutions an updated introduction with a detailed chronology precedes the dictionary and lays out the current situation in the region while a comprehensive bibliography at the end of the dictionary leads the reader to additional sources this book is an excellent access point for students researchers and anyone wanting to know more about the philippines

during the first world war ill advised steps by colonial officials in the philippines who were responsible for the colony s finances created a crisis which lasted from 1919 until 1922 the circumstances shook the foundations of the american colonial state and contributed to manuel l quezon s successful effort to replace sergio osmeña as leader of the politically dominant nacionalista party these events have generally been blamed on a corruption scandal at the philippine national bank which had been established in 1916 as a multi purpose semi governmental agency whose purpose was to provide loans for the agricultural export industry to do business as a commercial bank to issue bank notes and to serve as a depository for government funds based on detailed archival research yoshiko nagano argues that the crisis in fact resulted from mismanagement of currency reserves and irregularities in foreign exchange operations by american officials and that the notions of a corruption scandal arose from a colonial discourse that masked problems within the banking and currency systems and the u s colonial administration her analysis of this episode provides a fresh perspective on the political economy of the philippines under american rule and suggests a need for further scrutiny of historical accounts written on the basis of reports by colonial officials

journey through the philippines is the ultimate philippines travel pictorial for exploring asia s second largest archipelago home to some of the world s most beautiful natural landscapes often overlooked by travelers in southeast asia the philippines is one of the region s most exciting destinations through
