miffy a first lift the flap book is a great introduction to miffy s world find out who miffy s friends are what mother and father bunny look like and how they spend their day together lots of miffy moments to share

what happens when the assumptions and practices of museum curators and art educators intersect with the assumptions and practices of publishing for children this study explores how over three hundred children s picture books most of them published in the last three decades in english introduce children to art and art museums it considers how the books emerge from and relate to a range of theories and assumptions about childhood and childhood development children s literature and culture illustration visual art museology and art education as well as examining how these theories and assumptions influence what picture books teach young readers about visiting museums and about how to look at and think about art it examines which artists and artworks appear most often in picture books and offers a survey of different kinds of art related picture books ones that claim to be purely informational ones that make looking at art a game or a puzzle ones in which children visit art museums and many more since the books all include reproductions of or allusions to museum artworks the study also considers the problems illustrators face in depicting museum artworks in illustrations in a different style

stories pictures and reality follows two children as they work out the reality status of stories and pictures with a daily parent observer record from the birth of the first child until the second is eight a span of eleven years in all together these children pick through the meaning of stories and the motivations of the characters they discover in this unique first hand description of the discernment that children bring to books from an early age full of revealing quotes that tell us a great deal about the cognitive development of our young readers it s a joke cause it couldn t really have happened i ll tell you what s pretend

batman robin superman pirates cowboys and indians pussy cats don t fly kites the man who drew it was wrong in analysis this longitudinal study shows that children have more insight and understanding than they are often given credit for and that they approach subjects that puzzle the most sophisticated of thinkers with an elegant simplicity beyond the expectations of conventional psychologists and children s literature commentators this book urges readers especially practitioners and academics to afford greater respect to what young children are capable of in this area
