vivid and picturesque description of korea in the dawn of the 20th century written by rev jacob robert moose 1864 1928 an american missionary who came to korea in 1889 to serve the korean mission fields for 25 years readers will be amused by the vitality of korea depicted with love and affection a century ago village life in korea while one may find no less than a handful of books about korea written in the turn of the century village life in korea written by rev moose uniquely stands out for its empathetic storytelling of the commoners life in korean villages drawn on the author's firsthand experience acquired among the people of korea in the villages far removed from the outer world the book tells a story on korea and its people in such a way that the author shares it with a company composed of men women and children who are anxious to learn more about the untold stories of the nation which had been often referred to as the hermit kingdom until the late 19th century after an insightful introduction to korea in the opening chapters geographical sketch resources historical sketch the capital the book begins to unroll its story on the village life the village the village family the village inn the book then moves on to tell stories on the village people so vividly that while reading the next chapters one may feel as if they were visiting the village back in time the village boy the village gentleman the village girl the village woman the village school the village farmer the village mechanic the village merchant the village doctor the village marriage the village funeral the village lawsuit the last chapters of the book are dedicated to religion and most of all to the evangelization of korea the cause to which the whole life of rev moose was devoted the village religion the village church some members of the village church what christianity is doing for the village one may learn from the following excerpts from the final part of the book that rev moose's belief in the evangelical enlightenment of korea could be best attested by the miraculous development of korea in the later part of the century the key to the future of korea may be found in the power which christianity is now instilling into the lives of the village people let the villages in korea become completely christianized and the future of a happy and prosperous people will be assured regardless of who may hold the reins of power in the political realm virtuo digital edition the virtuo digital edition by virtuosi brings the all time classics of the past back to life with carefully revised contents and formats tailored for today's readers

bring the world a little closer with these multicultural books an excellent way for students to appreciate and learn cultural diversity in an exciting hands on format each book explores the history language holidays festivals customs legends foods creative arts lifestyles and games of the title country a creative alternative to student research reports and a time saver for teachers since the activities and resource material are contained in one book

a jongga is a family that can trace its line of progenitors back to a single distinguished ancestor the eldest living son of this main lineage is the jongson and his wife is thejongbu this couple is charged with performing numerous ancestral rites and entertaining the numerous guests that visit the jongga many families have preserved this tradition even through the turbulence of korean modern history and the prevalence of nuclear family culture brought on by industrialization there is more to jongga culture than the bloodline alone it is an emotional haven and a spiritual compass providing an identity not only for the members of the family but for the korean people as a whole reviewing the history of jongga culture and examining what it is today can teach a person things about the korean spirit and culture that often elude the eye

after considering the problem of decentralizing rural development in south korea generally the authors analyze the proliferation period from 1970 to 1979 of seemaul undong south korea s so called new community movement which was an attempt to achieve an integrated rural development program the final chapter suggests directions for south korea and draws implications for development elsewhere
