this focused summary highlights the concepts and directives of each of the ten chapters of the national directory for catechesis in clear concise language

refresh your faith

the summary of the directory for catechesis gives an overview of history purpose and overall framework of the directory and presents the path for evangelization and catechesis this summary is addressed to the various teachers of the faith including teachers in schools parishes dioceses and at home

this pastoral book presents a new way to catechize adults using the relationship between ordinary life and christian faith it combines both theoretical considerations and practical strategies for both professional and volunteer catechists

creative tension calls for a dialogical conversation in order to find mutual ground that can be beneficial for both partners partners in wisdom and grace explores the possibility of such tension created by the absence of religious education as a dialogical partner in the national directory for catechesis published by the u s bishops in 2005 these queries are central will catechesis take

religious education as a conversation partner and will religious education return the favor this book concludes that catechesis and religious education remain distinct enterprises that have their own specific identities and make their own particular contributions toward educating for a religious way of life this is an invitation for catechesis and religious education to generate a continuous healthy dialogue and mutually enrich each other while maintaining their distinct identities

the key in the generations approach to faith formation is that it builds on the strengths of a parish's current catechetical program while creating a lifelong faith formation plan and intergenerational learning programs that gather all the generations to learn together and nurture faith at home throughout the life cycle the cd rom includes powerpoint presentations for each chapter along with articles by religious education theorists who have been instrumental in developing a new paradigm of lifelong faith formation the book is ideal for parish pastoral and catechetical leaders as well as university courses in religious education and pastoral ministry

the number of catholic communities with no priest available to celebrate sunday eucharist has increased steadily over 60 years for many other forms of sunday celebration are the statistical norm this dramatic development coincides with vatican ii's insistence on liturgical catechesis for the baptised the main source of their christian spirit comes from active participation in the liturgy especially the sunday eucharist celebrating the liturgy in all its symbolic fullness leads to inner participation in the mystery a more profound appropriation of this living relationship with christ comes about through well celebrated rites and reflection on personal experience of the rites yet liturgical catechesis is largely ignored or dismissed because it is not understood liturgical celebrations frequently lack the vitality capable of leading people into the depth of the sacred mysteries they celebrate sunday celebrations in the absence of a priest are no exception this book

presents a systematic treatment of the modern church's teaching on liturgical catechesis it proposes ten general principles of liturgical catechesis these principles are used to explore and criticize the directory for sunday celebrations in the absence of a priest 1988 as well as the rituals prepared from the directory by the usa and canada even when there can be no sunday mass in parishes hospitals and nursing homes navy ships and jails liturgical prayer is to be a privileged place of evangelisation catechesis spirituality and discipleship in christ
