the american prosecutor plays a powerful role in the judicial system wielding the authority to accept or decline a case choose which crimes to allege and decide the number of counts to charge these choices among others are often made with little supervision or institutional oversight this prosecutorial discretion has prompted scholars to look to the role of prosecutors in europe for insight on how to reform the american system of justice in the prosecutor in transnational perspective erik luna and marianne wade through the works of their contributors coupled with their own analysis demonstrate that valuable lessons can be learned from a transnational examination of prosecutorial authority they examine both parallels and distinctions in the processes available to and decisions made by prosecutors in the united states and europe ultimately they demonstrate how the enhanced role of the prosecutor represents a crossroads for criminal justice with weighty legal and socio economic consequences

outlining the different types of financial crime and their impact this book is a user friendly up to date guide to the regulatory processes systems and legislation which exist in the uk each chapter has a similar structure and covers individual financial crimes including money laundering terrorist financing fraud insider dealing market abuse bribery and corruption and finally tax avoidance and evasion offences are summarized and their extent is evaluated using national and international documents detailed assessments of financial institutions and regulatory bodies are made and the achievements of these institutions are analysed sentencing and policy options for different financial crimes are included and suggestions are made as to how criminal proceeds might be recovered this second edition has been fully updated and includes a section on cybercrime and a new chapter on tax evasion case summaries have also been included in those chapters where a criminal justice route is used by the prosecuting authorities

the changes in the machinery of government announced in june 2007 led to this assessment of the place of the department for international development dfid in trade policy structures and how this area could be best managed across government the inquiry also followed up on the report conflict and development peacebuilding and post conflict reconstruction hc 923 i 2005 06 and the responsibility of the former department of trade and industry in relation to the regulation of activities of uk companies operating in developing countries although the reaction to the changes in the machinery of government are broadly positive there are reservations about complexity unclear lines of accountability and new layers of bureaucracy the increase in the number of dfid ministers is welcomed but there are concerns that the brief of the trade policy minister might be too wide

winner of the european award for investigative and judicial journalism 2021 winner of the premio alessandro leogrande award for investigative journalism 2022 winner of the premio angelo vassallo award 2022 i want to live in a society where secret power is accountable to the law and to public opinion for its atrocities where it is the war criminals who go to jail not those who have the conscience and courage to expose them it is 2008 and stefania maurizi an investigative journalist with a growing interest in cryptography starts looking into the little known organization wikileaks through hushed meetings encrypted files and explosive documents what she discovers sets her on a life long journey that takes her deep into the realm of secret power working closely with wikileaks founder julian assange and his organization for her newspaper maurizi has spent over a decade investigating state criminality protected by thick layers of secrecy while also embarking on a solitary trench warfare to unearth the facts underpinning the cruel persecution of assange and wikileaks with complex and disturbing insights maurizi s tireless journalism exposes atrocities the shameful treatment of chelsea manning and edward snowden on up to the present persecution of wikileaks a terrifying web of impunity and cover ups at the heart of the book is the brutality of secret power and the unbearable price paid by julian assange wikileaks and truth tellers

this comparative analysis examines the scope of prosecutorial powers at different phases of criminal investigation in four countries the united states italy poland and germany since in all four the number of criminal cases decided without trial is constantly increasing criminal investigation has

become central in the criminal process the work asks who should be in charge of this stage of the process prosecutors have gained tremendous powers to influence the outcome of the criminal cases including powers once reserved for judges in a system in which the role of the trial is diminishing and the significance of criminal investigation is growing this book questions whether the prosecutor's powers at the early stage of the process should be enhanced using a problem oriented approach the book provides a parallel analysis of each country along five possible spheres of prosecutorial engagement commencing criminal investigation conducting criminal investigation undertaking initial charging decisions imposing coercive measures and discontinuing criminal investigation using the competing adversarial inquisitorial models as a framework the focus is on the prosecutor as a crucial figure in the criminal process and investigation the insights of this book will be of interest and relevance to students and academics in criminal justice criminology law and public policy as well as policymakers government officials and others interested in legal reform

this text explores the concept of major and serious crime investigations as it takes the reader through the fundamental elements of investigative theory and practice that are relevant to this area of criminality unlike other texts that concentrate on either bespoke areas of criminality such as homicide terrorism or trends in concepts such as county lines this book recognises that the reader will be new to investigative study with little practitioner experience to anchor their learning by using the latest evidence based policing knowledge and critical thinking it explores the concepts of major and serious crime detailing key areas of legislation and how investigative strategies and decision making can influence successful outcomes other topics examined in this text is the key areas of risk for major and serious crime investigations the impact on investigators the concept of disclosure investigative interviewing and how civil orders designed to tackle this type of criminality can provide a successful alternative to prosecution both students and practitioners can find this book useful with this book's contemporary approach of using case studies and contemporary investigative examples relevant to the topic this book brings together academic theory and operational understanding of major and serious crime that provides learners with an easy to follow guide that they can keep returning to throughout their career

this edited collection is grounded in a green criminological approach to understand whether the law both in effect and implications reflects refracts or sublimates the social political and ecological conditions of our times since its initial proposal in the 1990s green criminology has focused the criminological gaze on a wide array of harms and crimes affecting humans animals other than humans ecological systems and the planet as a whole as a continuously blossoming field of criminological inquiry green criminology recognizes and examines behaviours that are both illegal and legal yet detrimental and in varying ways has made great efforts to provide insight into harms in a more fulsome manner at the same time there have been many significant legal instances domestic and international including case law legislation regulation treaties agreements and executive directives which have troubled the law's understanding of green harms illegal and legal activity pushing legal boundaries in the process recognizing that humanity and nature are inextricably integrated green criminology and the law reflects the range and depth of high quality research and

scholarship combining contributions from established scholars willing to explore new topics and recent entrants who are breaking new scholarly ground
