Discover how other veterinarians have achieved happiness and success and how you can too. International author, speaker, veterinary business coach and mentor Dr Diederik Gelderman AVBA President 2015-2016 shares the simple but little-known and rarely applied secrets to veterinary success and an amazing rewarding life. His probing interviews of these highly successful practitioners reveals the simple and yet profound keys, mindsets, behaviours and strategies that help them achieve their success. There is no magic involved and therefore you can do it too. One step at a time, just apply these simple, easy, step-by-step strategies and you too will achieve the personal and professional satisfaction that you want and deserve. You'll learn that practice success and work-life balance is not a myth and how you can achieve it too. The 3 things that every new graduate and young veterinarian must know if they want to achieve success: how to rekindle/rediscover your passion and why it's your key to success; the 5 biggest pitfalls in vet and how to avoid them; being successful and happy doesn't mean being a slave to your practice unless that's what you really want; how to accelerate and grow your success and happiness by finding the right mentor and coach who has blazed the trail before you and succeeded; how to make enough money to retire on comfortably even if retirement is only 5 years away. You too can have all the personal and professional satisfaction you want.

Good practice: what it means to put the patient first, not politics, posturing, pretentiousness, protocols or process. This is a text book for all doctors but especially GPs, appraisers and registrars. It is written by a 40-year-plus front-line NHS doctor who for most of his career worked twice to three times the current doctors' working time. Directive-limited week. Chris Heath has been a paediatric lecturer in a teaching hospital, an anaesthetist, various junior specialists and a GP for over 30 years in 3 different practices. He has been a GP trainer and appraiser and has seen politics and political correctness harm patients' interests constantly over the last half of his career. From the way the NHS selects young doctors to the way they are educated and assessed, the best interests of the patient are largely ignored. This is a text book but it also contains home truths, advice, insights and original, honest guidance on being a safe, effective doctor as well as giving an
