the wind howled like a banshee clawing at the ancient stone of blackwood manor its icy fingers rattling the leaded windows inside count vlad a creature of both immense power and profound solitude sat bathed in the flickering light of a vast fireplace the flames danced in a macabre ballet casting long distorted shadows that writhed across the intricately carved oak paneling he was a study in contrasts a man of breathtaking beauty his pale skin stretched taut over sharp cheekbones his eyes the color of a stormy night cobalt blue to obsidian black yet his features held the harsh angles of a predator etched by centuries of darkness and a life lived far beyond the boundaries of mortality he sighed a sound like the rustling of dry leaves in the autumn wind he turned from the window his eyes falling upon a single perfect white orchid sitting in a crystal vase on his desk the delicate flower with its exquisite petals and intoxicating fragrance was a stark

from the bestselling author of the traveler's gift comes a two book collection based on the remarkable true story of Jones, a mysterious old man who provides priceless lessons about love, life, and the importance of perspective. In this two book collection, Andy Andrews introduces readers to Orange Beach, Alabama, a simple town filled with simple people. But like all humans on the planet, the good folks of Orange Beach have their share of problems: marriages teetering on the brink of divorce, young adults giving up on life, business people on the verge of bankruptcy, as well as the many other obstacles that life seems to dish out to the masses. Fortunately, in the noticer when things look the darkest, a mysterious man named Jones has a miraculous way of showing up. An elderly man with white hair of indeterminate age and race, wearing blue jeans, a white t-shirt, and leather flip-flops, carrying a battered old suitcase, Jones is a unique soul communicating what he calls a little perspective. He explains that he has been given a gift of noticing things that others miss: your time on this earth is a gift to be used wisely. He says, don't squander your words or your thoughts; consider even the simplest action you take for your lives matter beyond measure, and they matter forever. Jones speaks to that part in everyone that is yearning to understand why things happen and what we can do about it. As the story continues to unfold, in the noticer returns, Jones uses his unique talent of noticing little things that make a big difference, and these little things grant people a life-changing gift: perspective. Along the way, families will be united, financial opportunities will be created, and readers will be left with powerfully simple solutions to the everyday problems we all face. What starts as a story of one person's everyday reality unfolds into the extraordinary principles available to anyone looking to create the life for which they were intended. This collection will provide you with a better understanding of life's challenges and proper perspective for tackling them: practical yet powerful methods of motivation, encouragement, and resolve for those struggling. A fresh and insightful perspective on how people can change their view of the world, find strength, and move beyond their problems.

God's Diamond Among Rocks is a captivating, moving true story of the incredible struggles of a single parent and her adopted son. It is a story of love, hope, sacrifice, endurance, and an unwavering trust in the promises of God for her son's life. This story will capture your heart and reveal the hand of God and His unconditional love. Twenty years ago, the author was my special needs son's teacher. Her love for children is amazing; she lives her everyday life for the glory of God. I highly recommend this book. Diane L. Mikell, RSN, former president, National Association for Healthcare Quality; former director, Quality Muhlenberg Regional Medical Center. The most striking aspect of Sandra's story is that amazing people and opportunities seemed to step forth right out of the ether when she needs them the most. As the story progresses, don't be surprised if you find yourself praying right along with Sandra as she becomes a mom, secures a more ideal job situation, and buys her own home. God is simply amazing, and this hilarious, mournful, and soul-stirring story is a testimony that will edify us all. Donna Mitchell, Journalist, New York City, New York.
