biomedicalization is seen as the natural outgrowth of continued scientific progress a movement towards
improving the quality and quantity of life through scientific inquiries using biomedical perspectives and
methods this approach carries with it the assumption that with proper risk assessment detection and
treatment our lives can be lengthened improved and indeed more fulfilling yet critics question
biomedicalization's ability to deliver there is concern about how biomedicalization can change our
traditional concepts of health as we discover more conditions for which we are at risk and health
maintenance is seen as the responsibility of the individual the purpose of the book is to describe assess
and critique biomedicalization and its influence as a larger social trend on the health field and
specifically in the area of alcohol research policy and programs chapter 1 gives a broad overview of
biomedicalization chapter 2 lays the groundwork for a historical understanding of how medicalization
and biomedicalization have developed and are expressed in diverse fields such as aging psychiatry
mental health and women's health chapter 3 focuses in depth on alcoholism and assesses the
development and assumptions underlying the two movements that have greatly influenced the substance
abuse field the medicalization of deviance and the growth of the disease model of alcoholism chapter 4
discusses the origins and development of the national institute on alcohol abuse and alcoholism niaaa

from its inception in 1970 chapter 5 illustrates the growing biomedicalization that has occurred in the alcohol field prior to niaaa s movement to the national institute of health nih chapter 6 assesses how sweden has handled alcohol problems and currently funds alcohol research chapter 7 concludes with a rationale for an expanded discourse between social scientists and biomedical researchers working on social problems particularly alcohol issues this volume will stimulate discussion of the processes by which social problems and specifically alcohol issues are framed managed and studied it will hold particular interest for researchers and students in the areas of alcohol studies social science and social welfare lorraine midanik is a professor in the school of social welfare university of california berkeley

more daily inspiration from a fresh diverse perspective insightful reflections reveal surprisingly simple things that can transform lives

mutual help groups have proliferated diversified and adapted to emerging substance related trends over the past 75 years and have been the focus of rigorous research for the past 30 years this book reviews the history of mutual support groups for addiction that have arisen as adjuncts or alternatives to twelve step programs including secular mutual support groups like secular organization for sobriety smart recovery and women for sobriety and faith based mutual support groups like celebrate recovery it also considers the mutual support groups attended by families and friends of addicts these mutual support groups are examined in terms of their histories theoretical underpinnings and intended communities the structures common in mutual support groups have influenced the rise of a new recovery advocacy movement and new recovery community institutions such as recovery ministries recovery community centers sober cafes sober sports clubs and recovery focused projects in music theatre and the arts this volume explores how collectively these trends reflect the cultural and political awakening of people in recovery and growing recognition and celebration of multiple pathways of long term addiction recovery this book was originally published as a special issue of the journal of groups in addiction and recovery

in this fascinating history of alcohol in postwar american culture lori rotskoff draws on short stories advertisements medical writings and hollywood films to investigate how gender norms and ideologies of marriage intersected with scientific and popular ideas about drinking and alcoholism after the repeal of prohibition in 1933 recreational drinking became increasingly accepted among white suburban middle class men and women but excessive or habitual drinking plagued many families how did people view the problem drinkers in their midst how did husbands and wives learn to cope within an alcoholic marriage and how was drinking linked to broader social concerns during the great depression world war ii and the cold war era by the 1950s rotskoff explains mental health experts movie producers and members of self help groups like alcoholics anonymous and al anon helped bring about a shift in the public perception of alcoholism from sin to sickness yet alcoholism was also viewed as a family problem that expressed gender role failure for both women and men on the silver screen in movies such as the lost weekend and the best years of our lives and on the printed page in stories by such writers as john cheever in hospitals and at twelve step meetings chronic drunkenness became one of the most pressing public health issues of the day shedding new light on the history of gender marriage and family life from the 1920s through the 1960s this innovative book also opens new perspectives on the history of leisure and class affiliation attitudes toward consumerism and addiction and the development of a therapeutic culture

in this important study of women with alcoholic husbands asher vividly describes the process of coming to terms with a profound crisis in one's private life from interviews with more than fifty women all of whom were participants in family treatment programs she assembles a composite picture of the experiences shared by wives of alcoholics the testimony given by these women illustrates the steps they must take to regain control of their lives the first step is figuring out what is happening and deciding what to do about it asher argues that the vogue of using the label codependent may actually hinder rather than facilitate emotional health led to think of themselves as addicted to their husbands' addictions the wives of alcoholics may be persuaded that their own problems can't be overcome but asher shows these women can take command of their lives originally published in 1992 aunc press enduring edition aunc press enduring editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print these editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value
