a proven approach to help you interpret and understand the bible grasping god s word has proven itself in classrooms across the country as an invaluable help to students who want to learn how to read interpret and apply the bible for themselves this book will equip you with a five step interpretive journey that will help you make sense of any passage in the bible it will also guide you through all the different genres found in the bible to help you learn the specifics of how to best approach each one filling the gap between approaches that are too simple and others that are too technical this book starts by equipping readers with general principles of interpretation then moves on to apply those principles to specific genres and contexts features include proven in classrooms across the country hands on exercises to guide students through the interpretation process emphasis on real life application supplemented by a website for professors providing extensive teaching materials accompanying workbook video lectures laminated study guide sold separately this fourth edition includes revised chapters on word studies and bible translations updated illustrations cultural references bibliography and assignments this book is the ideal resource for anyone looking for a step by step guide that will teach them how to accurately and faithfully interpret the bible

how does one summarize the thirty nine books of the old testament how might one determine the message of the old testament with others this book attempts an answer to these questions the answer is taken from a single scripture passage exodus 5 22 6 8 which is here considered a theological table of contents for the old testament in addition to such topics as deliverance community and experiencing god the book has an extended discussion on land a subject which deals with a wide range of interests but which only rarely receives attention in books on biblical theology the current edition features reflections and a set of discussion questions following each of the seventeen chapters a boon for university and seminary teachers and students and of large help for church study groups

since the first edition of integrative approaches to psychology and christianity was published in 2004 this has become the standard textbook on the topic now in its fully revised fourth edition dr entwistle s book elucidates historical philosophical and practical issues in the integration of psychology and christianity as in previous editions the current text provides an introduction to many of the worldview issues and philosophical foundations that frame the relationship of psychology and theology includes scholarly reflection on the integration literature and surveys six models of possible relationships between psychology and christianity ranging from those that are completely opposed to either religion or psychology to intermediate models that assert that some limited interaction between them is possible to viewpoints which suggest that a christian worldview approach can be used to provide a context for exploring areas of overlapping interest between psychology and christianity the current edition considers recent advances in both catholic and protestant thinking on integration including contemporary questions about what evangelicalism is and is not that shape evangelical reactions to the integration debate new content ranges from information about the contrasting views of tertullian and augustine to insights from contemporary psychology about factors that adversely affect the quality and reliability of human thinking to

how conflict over covid 19 has entered contemporary religious debate the book is designed to help readers become aware of the presuppositional backdrops that each of us brings to these issues questions at the end of each chapter are included to help readers evaluate both the material and their own burgeoning approach to integration this book is ideal as a textbook for students of psychology and other behavioral and social sciences social work sociology theology counseling pastoral counseling at both the graduate and undergraduate level it is also written for the broader readership of psychologists counselors pastors and others who are interested in integration
