attitudes towards spoken signed and written language are of significant interest to researchers in sociolinguistics applied linguistics communication studies and social

psychology this is the first interdisciplinary guide to traditional and cutting edge methods for the investigation of language attitudes written by experts in the field it provides an introduction to attitude theory helps readers choose an appropriate method and guides through research planning and design data collection and analysis the chapters include step by step instructions to illustrate and facilitate the use of the different methods as well as case studies from a wide range of linguistic contexts the book also goes beyond individual methods offering guidance on how to research attitudes in multilingual communities and in signing communities based on historical data with the help of priming and by means of mixed methods approaches

what follows when state institutions name historically oppressed languages as official what happens when bilingual education activists gain the right to coordinate schooling from upper level state offices the intercultural bilingual school system in ecuador has been one of the most prominent referents of indigenous education in the americas since its establishment in 1988 members of ecuador s pueblos and nationalities have coordinated a second national school system that includes the teaching of indigenous languages based on more than two years of ethnographic research in ecuador s ministry of education at international and national conferences in workshops in schools and with families recognizing indigenous languages considers how state agents carry out linguistic and educational politics and policies in eras of greater inclusivity and multiculturalism this book shows how institutional advances for bilingual education and indigenous languages have been premised on affirming the equality and the equivalency of the linguistic and cultural practices of members of indigenous pueblos and nationalities with other ecuadorians major responsibilities like serving as national state agents crafting a standardized variety of the kichwa language family translating legal documents to kichwa and teaching indigenous languages in schools have provided vast authority representation and visibility for those languages and their speakers however the everyday work of directing a school system and making kichwa a language of the state includes double binds that work against the very goals of autonomous schooling and getting people to speak and write kichwa

it has long been known that learning a foreign language helps children develop skills like
listening memory concentration and patience these skills are all critical to learning and
excelling in education and in fact in life speaking a foreign language is also a beautiful
exposure and introduction to diversity and respect for other nations and cultures that are
different from our own this book saying hello around the world is the first book in a series
of books designed to spark the interest in learning in discovering other cultures and habits
observed in a variety of cultures around the world it uses friendly characters dressed in
national clothing to introduce the children to common frequently used greetings and mannerly
responses specifically this book teaches children to say hello in several languages from

popularly visited nations around the world the friendly children and host try to make and keep the introduction simple and easy along with the words we've also provided enunciations for the words to make things even easier i know that you'll find this book is a wonderful first start and a vital capability in their toolbox for communicating and understanding each other so check out the books you have absolutely nothing to lose but your child has every advantage to gain
