English Historical Documents is the most comprehensive annotated collection of documents on British history ever compiled, conceived during the Second World War with a view to ensuring the most important historical documents remained available and accessible in perpetuity. The first volume came out in 1953 and the most recent volume almost sixty years later. The print series, edited by David C Douglas, is a magisterial survey of British history covering the years 500 to 1914 and including around 5,500 primary sources, all selected by leading historians. Editors: It has over the years become an indispensable resource for generations of students, researchers and lecturers. EHD is now available in its entirety online. Bringing EHD into the digital age has been a long and complex process. To provide you with first-rate, intelligent searchability, Routledge have teamed up with the Institute of Historical Research, one of the research institutes that make up the School of Advanced Study, University of London. History.ac.uk to produce EHD online. The IHR's team of experts have fully indexed the documents using an exhaustive historical thesaurus developed by the Royal Historical Society for its bibliography of British and Irish history. The sources include treaties, statutes, declarations, government and cabinet proceedings, military dispatches, orders, acts, sermons, newspaper articles, pamphlets, personal and official letters, diaries and more. Each section of documents, and many of the documents themselves, are accompanied by editorial commentary. The sources cover a wide spectrum of topics from political and constitutional issues to social, economic, religious as well as cultural history. *résumé de l'éditeur*

includes section book reviews

Anglo-American Attitudes is a pioneering study of Anglo-American connections in their widest sense. Previous studies of Anglo-American relations have focused narrowly on official government-to-government contacts rather than on other kinds of less formal links. This book redresses that imbalance by examining not only diplomatic relations but also a wide variety of social, economic, intellectual and cultural connections. It is also the first study which examines

anglo american relations over not just the few decades of the special relationship but over the whole period since the american revolution the book opens up many new themes and perspectives which illuminate the evolution of bilateral relations mutual perceptions and the comparative development of both nations anglo american attitudes will be invaluable not only for students of british and american history but also for anyone who wants to understand the complex nature of an association which has played a key role in the evolution of the modern world
