what does it mean to be a mixed blood and how has our understanding of this term changed over the last two centuries what processes have shaped american thinking on racial blending why has the figure of the mixed blood thought too offensive for polite conversation in the nineteenth century become a major representative of twentieth century native consciousness in injun joe s ghost harry j brown addresses these questions within the interrelated contexts of anthropology u s indian policy and popular fiction by white and mixed blood writers mapping the evolution of hybridity

from a biological to a cultural category brown traces the processes that once mandated the mixed blood s exile as a grotesque or criminal outcast and that have recently brought about his ascendance as a cultural hero in contemporary native american writing because the myth of the demise of the indian and the ascendance of the anglo saxon is traditionally tied to america s national idea nationalist literature depicts indian white hybrids in images of degeneracy atavism madness and even criminality a competing tradition of popular writing however often created by mixed blood writers themselves contests these images of the outcast half breed by envisioning hybrid vigor both biologically and linguistically as a model for a culturally heterogeneous nation injun joe s ghost focuses on a significant figure in american history and culture that has until now remained on the periphery of academic discourse brown offers an in depth discussion of many texts including dime novels and depression era magazine fiction that have been almost entirely neglected by scholars this volume also covers texts such as the historical romances of the 1820s and the novels of the twentieth century native american renaissance from a fresh perspective investigating a broad range of genres and subject over two hundred year of american writing injun joe s ghost will be useful to students and professionals in the fields of american literature popular culture and native studies

few states can rival california in terms of natural beauty and exciting history but nearly three centuries of violent crime sickness greed and murder have tarnished the golden state and made it ripe for ghosts and hauntings from the spanish priests who founded the first missions in their quest to bring christianity to the native people of the region to the ill fated donner party committing acts of cannibalism in order to survive this book explores the most famous ghost stories from california s past dating back to the 18th century with spine tingling details that will delight readers
