i have heard sons and daughters of god saying that they want to love god and many of them also pour out their heartfelt pain at how they have failed woefully no matter how much they tried many of them wondered if god is really fair for commanding us to love him with all our hearts souls minds and strengths they wondered that if it s not going to be possible to love god why did he saddle us with such a responsibility i get you friend i ve been there too and it was really difficult to love god and if i can t love god then i can t love myself and i can t love my neighbor since i have to first love god then love my neighbor as i have loved myself i found it difficult and laborious to love god until he told me to stop trying to love him i can almost hear that resounding in your mind stop trying to love god that is unbelievable i agree with you that it is unbelievable but that is the truth well i stopped trying to love god and allowed him to show me how to love him my dear i know that you want to love god and i understand that you might have been finding it difficult this is why i want to share some truth with you that god used to bring me into loving him as easily as breathing in and out enjoy your ride through the book as you are launched into loving god with ease many of them wondered if god is really fair for commanding us to love him with all our hearts souls minds and strengths they wondered that if it s not going to be possible to love god why did he saddle us with such a responsibility i get you friend i ve been there too and it was really difficult to love god and if i can t love god then i can t love myself and i can t love my neighbor since i have to first love god then love my neighbor as i have loved myself i found it difficult and laborious to love god until he told me to stop trying to love him i can almost hear that resounding in your mind stop trying to love god that is unbelievable i agree with you that it is unbelievable but that is the truth well i stopped trying to love god and allowed him to show me how to love him my dear i know that you want to love god and i understand that you might have been finding it difficult this is why i want to share some truth with you that god used to bring me into loving him as easily as breathing in and out enjoy your ride through the book as you are launched into loving god with ease

to claim that works of love is an important philosophical essay is to assume hazardous burden of proof the book's title is an allusion to the bible's injunction that we should love our neighbor as we love ourselves a far cry far instance from diotoma's ladder of erotic desire up which we climb from the love of bodies until we catch a vision of that single sea of beauty beauty itself plato symposium this contrast given that some of some of our neighbors may not be particularly likable or one may even be a determined enemy suggests immediately to some that a book with such an obviously religious title must be excessively moralistic and at best full of sermon helps for the harried clergy or at worst laden with rules for the unlearned laity a casual perusal of a few paragraphs however shows these put down views of the book to be unfounded

what is love in his text on loving god st bernard surveys the four types of love that christians experience as they grow in their relationship with god loving one's self selfish love loving god as god and loving one's self in god st bernard reminds us that not only did god give us life but he gave us himself for indeed god deserves to be loved very much yea boundlessly because he loved us first he infinite and we nothing loved us miserable sinners with a love so great and so free st bernard reminds us that we are indebted to god for his love and his sacrifice not only should we love god because it is what he deserves but also because loving god does not go without reward loving god is to our advantage the lord rewards those who love him with the blessed state of the heavenly fatherland where sorrow and sadness cannot enter st bernard's medieval prose is poetic and full of clever imagery his work is as beautiful as it is knowledgeable

like any professional pastors can be busy people often the demands upon their time are myriad the time when i first came to accept christ as my lord was wonderful beyond measure although my pastor was eager to introduce me to christ he was not as intimately available to guide me in the aftermath of that wonderful moment you see having accepted christ as savior guarantees the blessing of eternity with christ but the new believer still has the rest of his or her life to negotiate there are lots of things to learn but in big churches people can get lost in the crowd and fall through the cracks and in small churches well there is only so much a small staff can do so i stumbled around for a long time very gradually figuring out how to navigate the world and still hold to my faith in christ i remember thinking there has to be a better way than this these discussions are part commentary part history part blessing and part questioning there's a little bit of everything i've put considerable thought into writing these things and i want you to get some benefit some blessing from them think about what you read you might be provoked to irritation or to curiosity or to laughter try to apply the thoughts to your life but the bottom line is if you don't read you won't benefit this first book that you are holding tries to answer some basic questions why should i fear god why should i trust him who am i in christ what is the nature of sin following books talk about the jewish festivals and their profound meaning about god's constitution matthew chapters 5-7 about god's manifested love what it means to be grafted in to god's family how to know jesus and what it means to abide in christ i hope you stick around to the end every life has its ups and downs and after several cycles of this i was fed up and began to look for answers i found this crazy new church which was meeting in a hotel conference room i remember people all around me speaking in these strange indecipherable ways people falling down on the floor and generally acting nuts i remember thinking why am i here god had a plan but i was not awake to it but i stayed out of curiosity if nothing else and eventually god began to draw me in since then god has led me on a wonderful journey where once i had a sort of vague notion of god he used personal struggle to draw me closer to him where once i looked at everything from a performance oriented point of view he taught me the true value of the love of christ where once i had to be doing things for christ he taught me the value of resting in the presence of christ i want people to understand these things i want everyone to experience the intimate presence of christ in their lives i want everyone to see real time answers to prayer as i have i want people to understand that humble submission to god is the answer to every struggle every problem and every stress
