proč se učit anglicky protože jinak jste v dnešním globalizovaném světě mrtví proč se učit anglicky s vtipy protože vtip je krátký jednoduchý a má pointu snadno si jej zapamatujete a tudíž si zapamatujete nejen obdobnou situaci ale i slova která v ní lze použít nad vtipem se i dobře pobavíte a pokud ne pak buď nemáte pro takový humor smysl anebo jste úplně nepochopili anglický text v tom případě vám tato knížka určitě pomůže takže co v ní najdete pokud jste knihou již listovali zjistili jste že text anekdoty je vlastně rozdělen na dvě poloviny první část je koncipována jako zrcadlový překlad

nejdřív anglická anekdota za níž hned následuje její překlad do češtiny rád bych upozornil že nejde o doslovný překlad ten by mohl leckdy působit těžkopádně mou snahou však bylo přeložit vtip tak aby vyzněl dobře i česky v textech druhé pouze anglické části najdete některá slova vytištěná tučně jejich překlad je uveden v anglicko českém slovníčku na konci knihy snažil jsem se aby nepřekládaná slovíčka odpovídala přibližně úrovni intermediate středně pokročilý zvýrazněná slova tuto úroveň překračují Česko anglickou část berte pouze jako zahřívací myslím si totiž že jednojazyčný text vybavený odpovídajícím slovníčkem je mnohem efektivnější čtenář si novou slovní zásobu osvojuje přímo bez zprostředkování leckdy problematického překladu anglickou anekdotu někdy opravdu nelze přeložit aniž by se pointa nevytratila existuje i další důvod proč anekdoty nepřekládat Říká se že anekdoty jsou jenom dvojí slušné a dobré nelze se proto vyhnout textům s explicitním výrazivem jenže jak takové vtipy přeložit Čeština i angličtina v takových situacích používají úplně odlišné obraty což by bylo v překladech zavádějící jak říkával Jan Werich tam kde Češi vyměšují anglosasové mužní na konci knihy je seznam nepravidelných sloves která se objevují v anglické části

this isn t your america no matter who the president is we re told that when we vote when we elect representatives we re gaining a voice in government and the policies it implements but if that s true why don t american politics actually translate our preferences into higher living standards for the majority of us the answer is that in america the wealthy few have built a system that works in their favor while maintaining the illusion of democracy the reality is that the quality of democracy in the united states is lower than in any other rich democracy on a par with nations such as brazil or turkey in the us voters have little influence on eventual policy outcomes engineered by lawmakers political scientists call it the income bias and attribute it to the power of wealthy donors who favor wage suppression and cuts to important government programs such as public education and consumer protection it causes american lawmakers to compete to satisfy preferences of donors from the top one percent instead of the middle class it s also why our economy has

been misfiring for most americans for a generation wages stagnating and opportunity dwindling the election of donald trump shocked the world but for many americans it came as a stark reflection of mounting frustrations with our current system and anger at the status quo we need to find a way to fix the way our government serves us the only realistic pathway to improve middle class economics is for congress and the supreme court to raise the quality of american democracy in billionaire democracy the hijacking of the american political system economist george r tyler lays out the fundamental problems plaguing our democracy he explains how the american democratic system is rigged and how it has eroded the middle class providing an unflinching and honest comparison of the us government to peer democracies abroad he also breaks down where we fall short and how other rich democracies avoid the income bias created by the overwhelming role of money in us politics finally tyler outlines practical campaign finance reforms we can adopt when we finally focus on improving the political responsiveness of our government it s time for the people of this nation to demand a government that properly serves us the american people
