as the twenty first century dawns america is shaken by the worst economic depression since 1929 terrorism unemployment political racial and social unrest pushes the nation to the brink of political collapse free trade multiculturalism uncontrolled immigration moral decline and cultural decadence have divided the nation and undermined confidence in the two party system while the special interest groups that control the establishment exploit the nation for their own advancement onto the national stage steps george burton a young charismatic self made billionaire and war hero who uses his fortune to build a political movement designed to challenge the powerful political interest groups that control the establishment burton s national association for a populist america is quickly transformed into the most powerful nationalist movement in american history millions of people join the napa and help burton to ignite a nationalist revolution burton s americanism becomes a message of hope for a better future the restoration of the american dream and the rebirth of the american nation to millions especially the andersons a typical american family living in ohio who must struggle to survive in the economic social and moral displacement that has disrupted the lives of millions of americans like them

who do you trust when your world starts falling apart your perfect life was not so perfect after all as much as you want to turn around and walk away you cannot your past catches up with you jamie takes the blue pill you will be fine just breathe we have been over this before close your eyes this was all just a bad dream jamie is convinced she is delusional but why would her husband and kids lie to her this does not make sense i vow to love and protect you through sickness and in health your life your marriage your kids were it all a setup jamie is a beautiful thirty two year old asian woman she loved to travel jamie had this indomitable personality that everyone loved the family came first then her career pride and principle are what defined her character jamie had her best friend christopher she had known him since school her family loved him and her friends he was outgoing and always had that overpowering charm that a lot of women admired christopher then one evening told her how he felt about jamie jamie never saw him more than a friend but how far will you go for the one person you loved your whole life fake your death create a new identity christopher had a past that that will make jamie s life turn into a nightmare jamie is now living in a nightmare but after her

accident everyone thinks she is delusional the pills christopher gives her makes her lose bits of her memory until one day jamie consulted a doctor about her sudden loss of appetite and always feeling tired that is when the doctor asked her if she is suffering from anxiety because the doctor found a benzodiazepine in her blood this drug is used to calm or sedate a person by raising the level of the inhibitory neurotransmitter gamma aminobutyric acid which suppress the activity of the nerves which can lead to a psychological disorder not only was he giving her the wrong pills to treat her short term memory loss but also killing her slowly the safest place is home but not if you are trapped in your mind

this book encourages readers to use their imagination and place themselves in the story imagine what they would do and feel if this were to happen to them could they handle it would they react the same way better yet could they act the same way could something like this really happen jamie johnson is about to find himself by facing a lot of mind blowing decisions he has the most unique and dazzling experiences to go through that will keep you wondering what will happen next read this fascinating book and find out

the ransom canyon series is coming soon to netflix starring josh duhamel and minka kelly a small town texas christmas story where hearts are lost love is found and family always brings you back home griffin holloway is desperate the maverick ranch has been in his family for generations but lately it s a money pit he d sooner marry one of his horses than sell the ranch marriage though could be a solution if he can woo a wealthy bride he might save the ranch just in time for christmas jaxon o grady likes his solitude just fine thank you very much but when a car accident brings the unexpected to his door he realizes just how much one person can need another crossroads is the perfect place for jamie johnson avoiding nosy questions about why she s single she s happy to keep to her lakeside home so she s baffled when she gets the strangest christmas present of all in the form of a mr johnson asleep on her sofa who is he and why does everyone think he s her husband in this uplifting novel three unlikely couples discover just what

springs book 6 indigo lake book 6 5 a christmas affair book 7 mistletoe miracles book 8 christmas in winter valley

this fast paced book by yale professors michael graetz and ian shapiro unravels the following mystery how is it that the estate tax which has been on the books continuously since 1916 and is paid by only the wealthiest two percent of americans was repealed in 2001 with broad bipartisan support the mystery is all the more striking because the repeal was not done in the dead of night like a congressional pay raise it came at the end of a multiyear populist campaign launched by a few individuals and was heralded by its supporters as a signal achievement for americans who are committed to the work ethic and the american dream graetz and shapiro conducted wide ranging interviews with the relevant players members of congress senators staffers from the key committees and the bush white house civil servants think tank and interest group representatives and many others the result is a unique portrait of american politics as viewed through the lens of the death tax repeal saga graetz and shapiro brilliantly illuminate the repeal campaign s many fascinating and unexpected turns particularly the odd end result whereby the repeal is slated to self destruct a decade after its passage they show that the stakes in this fight are exceedingly high the very survival of the long standing american consensus on progressive taxation is being threatened graetz and shapiro s rich narrative reads more like a political drama than a conventional work of scholarship yet every page is suffused by their intimate knowledge of the history of the tax code the transformation of american conservatism over the past three decades and the wider political implications of battles over tax policy

a state championship best friends jamie barb have been dreaming about it since they first started playing basketball now the torrington thunderbirds are within reach but it gets complicated a talented new girl critical injuries and a friendship in trouble make the thunderbirds season eventful game action is colorfully described by a high school newspaper sports reporter in her articles as the

race for the league title tightens and a shot at the state tournament gets closer this girls basketball novel follows the team for a year as they train practice play and live basketball in a small minnesota town in the late 1980s

in this ground breaking collection well known and cutting edge authors bring to light life with mental illness the candid personal essays drill to the core of disappointment and compassion but share hope for the future as writers recount their experiences with schizophrenia bipolar disorder autism obsessive compulsive disorder ocd clinical depression post traumatic stress disorder ptsd and dissociative identity disorder back cover

miracles on the poke a no is a heart warming tear dropping love story about a young teenage boy danny johnson and his admiration and affection for three girls danny wants to fulfill his dream of floating down a dangerous river near his hometown at only fourteen years old danny is faced with life or death decisions his only hope to save his friend s life is to navigate an aluminum boat many miles down the notorious river in almost total darkness his life is further complicated when his father buys the sadie watkins farm which is shrouded with deep dark secrets this novel will leave you spellbound from one chapter to the next as it introduces a host of interesting characters that will soften your heart and test your emotions miracles on the poke a no takes place in rural america 2009 this novel is packed with action suspense love drama and mystery it is written in an audacious manner yet intended for young and older readers alike

download a free sneak peek of firekeeper s daughter by angeline bouley in firekeeper s daughter debut author angeline bouley crafts a groundbreaking ya thriller about a native teen who must root out the corruption in her community for readers of angie thomas and tommy orange as a biracial unenrolled tribal member and the product of a scandal eighteen year old daunis fontaine has never quite fit in both in her hometown and on the nearby ojibwe reservation daunis dreams of studying medicine but when her family is struck by tragedy she puts her future on hold to care for her fragile mother the only bright spot is meeting jamie the

charming new recruit on her brother levi's hockey team yet even as daunis falls for jamie certain details don't add up and she senses the dashing hockey star is hiding something everything comes to light when daunis witnesses a shocking murder thrusting her into the heart of a criminal investigation reluctantly daunis agrees to go undercover but secretly pursues her own investigation tracking down the criminals with her knowledge of chemistry and ojibwe traditional medicine but the deceptions and deaths keep piling up and soon the threat strikes too close to home now daunis must learn what it means to be a strong anishinaabe kwe ojibwe woman and how far she'll go to protect her community even if it tears apart the only world she's ever known

keeps the readers gripped until the last page sunday express innocent or guilty it's a matter of which lines you cross simon serrailer finds himself in devastating new territory as a sophisticated drugs network sets its sights on lafferton and the surrounding villages dcs simon serrailer has long regarded drugs ops in the lafferton area as a waste of time small time dealers are picked up outside the local secondary school they're given a fine or a suspended and away they go and rinse and repeat but when the body of a young drug addict is found in neighbouring starly the case pulls simon into a into the underbelly of an elaborate drug running operation the foot soldiers vulnerable local kids like brookie and olivia who will give simon a bitter taste of this new landscape with struggles both at home and on the job serrailer soon learns that even the familiar can hold shocking surprises hill's serrailer novels are as addictive as rankin's scotsman discover the bestselling simon serrailer series that over one million readers have devoured

lincolnshire may 1943 twenty lancaster bombers stand poised to fly one of world war 2's most daring and dangerous missions 617 squadron's legendary bouncing bomb attack on germany's dams success could shorten the war the crews are told but will inevitably come at a cost many of them hand-picked by their charismatic if volatile leader guy gibson will not be coming back after two tours of duty and fifty-nine missions combat-seasoned pilot peter lightfoot and his loyal crew are already on borrowed time narrowly escaping death on a disastrous final operation over the alps a flight which ends by ditching their wrecked lancaster into the

atlantic the seven men are at last relieved from operational flying job done but haunted by a face from his past lightfoot cannot rest and unknown to his crew applies to join gibson s 617 squadron and fly the dams mission a mission many see as certain suicide tense thrilling and meticulously researched as always robert radcliffe s dambuster like his bestselling under an english heaven is an old fashioned adventure of the most gripping sort

in this myth shattering book a leading business journalist exposes the shocking gap between personal finance and public image and reveals how americans are caught in the trap of living beyond their means
