the dramatic results of the 2014 european parliament elections have highlighted the european union s urgent need for a review of the scope and purpose of its social objectives and for a reordering of european priorities this book advocates a radical and original alternative to the current philosophy that determines the set of rules for the awarding of eu public procurement contracts it calls for a reordering of the eu s economic and social priorities in doing so it advocates for a social dimension to be placed at the core of public procurement which could elicit a social model of integration in the eu in which the european citizen is the key actor this is achieved through an analytical approach as well as concise and contextualised explanations relating to free trade theories poverty and public interest theories this book will be of key interest to students and scholars of the european union political theory and eu law

this book examines how the on paper hydropower boom impacts the safe and fair access to water and energy in emerging economies the global hydropower boom is largely made up of small hydropower plants located in emerging economies but a lack of funding over ambitious planning and corruption have halted the production of these projects describing this state as the on paper hydropower boom this book shifts attention to the hydrosocial problems arising from hydropower projects that remain on paper it examines how these proposed but unbuilt projects can lead to disruptions in the control and governance of water resources and increase the international dependence of emerging countries due to deep problems in their sustainable development planning and how all this can affect both ecosystems and the communities that depend on them in doing so it critically examines the dominant discourses on energy security and sustainable development emphasises the extent to which the effects of global imperialism are at play and examines the effects of international power relations in the hydrosocial context and their implications for perpetuating international relations of dependency further this book provides a unique

perspective on the global hydropower boom by highlighting that although the global hydropower boom largely remains on paper it can still have a significant impact on human water systems contributing to the debate on hydrosocial relationships each chapter offers an insightful examination of the social cultural and political interactions that humans have with water and uses these insights to provide a nuanced understanding of the challenges and issues associated with on paper plans this book will be of great interest to students and scholars of water politics water governance political ecology corruption and environmental economics as well as sustainable development policymakers

in this book leading contributors look at the development of the evolutionary approach to international business the internationalization of service industries and the implications of the changing face of europe for international business in the 1990s providing an excellent blend of theory analysis and case study material this volume is a vital resource for students of international business and related fields

this book constitutes revised selected papers from the proceedings of the 26th international conference on financial cryptography and data security fc 2022 which was held in grenada during may 2022 the 32 full papers and 4 short papers included in this book were carefully reviewed and selected from 159 submissions they were organized in topical sections as follows tokenomics mpc mostly privacy zkp old school consensus mostly payment networks incentives not proof of work performance measurements

the volume sheds light on ancient near eastern kingship by focusing on its constant urge for legitimation thus it highlights specific aspects like royal building activities warfare and wisdom and frames these into material and textual expressions that take the powerful form of narratives the contributions made in this volume look for specific topoi of kingship and examine which shapes they took and why the publication determines which narrative topoi have once been selected to legitimize kingship which media have been chosen to transmit these narratives and what kind of narrative strategies have been applied to consider both texts and images in the same margin the book is based on a dual approach referring to certain narrative themes both philological and archaeological material will be presented by joining diverse perspectives of scholars of material culture and texts and their various approaches the publication promises new and special insight into the connection of narration and legitimation in mesopotamia it reflects ancient near eastern kingship and its narrative strategies from a interdisciplinary and transmedial point of view and gives new insights into the matter of royal legitimation
