education arts and social sciences natural and technical sciences in the United States and Canada

Adrian Raine Department of Psychology University of Southern California USA Jose San Martin Queen Sofia Center for the Study of Violence Valencia Spain the problems that psychopathic and violent offenders create for society are not restricted to North America instead these offenders create havoc throughout the world including Europe in recognition of this fact Queen Sofia of Spain has promoted a center for the study of violence which recognizes both biological and social contributions to the cause of violence in November 1999 the Queen Sofia Center for the Study of Violence held its IV international meeting on the biology and sociology of violence this fourth meeting which was under the honorary presidency of H M the Queen of Spain examined the biological psychological and social aspects of the psychopath the violent offender and the serial killer this book presents some of the key contributions made at that conference and which were first published in Spanish in 2000 by Ariel Press a key thrust of this book and a stance shared by all of its contributors is the notion that violence and psychopathy simply cannot be understood solely or even fundamentally in terms of social and environmental forces and influences nor do biological factors offer an exclusive explanation

there is increasing pressure soon to be legislation for particular offenders to be given a choice of psychological treatment or imprisonment even if treatment must sometimes be within special prison hospitals or units for offenders the key issue will be motivating offenders to commit themselves to treatment and to maintain their motivation through the therapeutic programme and thereafter on release this is the first book to tackle the subject of motivating offenders in therapeutic programmes and as

such will prove an invaluable resource for forensic practitioners written by some of the top clinical and forensic practitioners and researchers in offender rehabilitation there is a real demand for a book on this subject as a result of changes in criminal justice policy and in mental health provision part of the wiley series in forensic clinical psychology
