this delightful book includes over 100 mini essays explaining the origins and historical development of words in our language that pertain to love and sex do you know for example what a 78 is here s a hint like the old 78 rpm records the term refers to a man who is well on the fast side diligently researched the lover s tongue is written in a light

hearted style a dictionary of a different kind this book is the perfect gift for that special someone or for the connoisseur of language and history in your life

words have come a long way since they were invented as a nifty tool to help us communicate we have played with them made up rules for them added bits to them and taken bits off we've gathered them into languages adopted and defined them the words we use say so much about who we are yet most of them slip from our mouths without a second thought the book of words is a brief pause for reflection in the ever changing life of words a snapshot of the english language and how we use it today long words short words old words new words brilliant words annoying words from the historical to the grammatical the biographical to the sociological this is an a to z of words about words for word lovers from aardvark to zythum and beyond

time bound words argues that changes in english society and the english language are woven together often in surprising ways and investigates this claim by following eleven words from chaucer's time to shakespeare's middle english words like corage estat thrift and virtù come to serve the logic of new social discourses by 1611 language from chaucer wyclif more spenser shakespeare jonson and others is examined both as current and emerging usage and as verbal play that accomplishes cultural work

adapted from mother tongue this stunningly illustrated book by bill bryson tells the story of english from the first words ever spoken to the very first dictionaries perfect for ages 8 to 80 every day you do something incredible and i bet you barely ever think about it you speak but have you ever wondered why the english language turned out like it did if so this is the book for you it will also answer some very important questions why do we have the vikings to thank for words like glitter and sky why did goodbye used to be god be with you why did lol originally mean little old ladies and why did no one know what majestic meant until shakespeare came along in this epic journey through words rhymes and even a few jokes bill bryson will teach you how the english language came to be clue lots of invasions and what makes it a rich and beautiful thing lots of shakespeare get ready because the story of the english language is an extraordinary one

a sensible and straightforward guide for students teachers and actors of shakespeare based on the results of an extensive survey of 100 shakespearean scholars and dramatists from the us canada and the uk their recommendations on the pronunciation of over 300 controversial words together with a variety of linguistic studies are the authorities for the pronunciations given here pronunciation variants are listed for the uk canada and the us

lost origins of words revealed we like to recount that goodbye started out as god be with you that whiskey comes from the gaelic for water of life or that avocado originated as the aztec word for testicle but there are many words with origins unknown disputed or so buried in old journals that they may as well be lost to the general public in origin

uncertain unraveling the mysteries of etymology eminent etymologist anatoly liberman draws on his professional expertise and etymological database to tell the stories of less understood words such as nerd fake ain t hitchhike trash curmudgeon and quiz as well as puzzling idioms like kick the bucket and pay through the nose by casting a net so broadly the book addresses language history language usage including grammar history both ancient and modern religion superstitions and material culture writing in the spirit of adventure through the annals of word origins liberman also shows how historical linguists construct etymologies how to evaluate competing explanations and how to pursue further research

a book about the role of books in shaping the ancient religious landscape this collection of essays by leading scholars from a variety of academic disciplines explores the ongoing relevance of harry gamble s books and readers in the early church 1995 for the study of premodern book cultures contributors expand the conversation of book culture to examine the role the hebrew bible the new testament and the qur an played in shaping the jewish christian and muslim religions in the ancient and medieval world by considering books as material objects rather than as repositories for stories and texts the essays examine how new technologies new materials and new cultural encounters contributed to these holy books spreading throughout territories becoming authoritative and profoundly shaping three global religions features comparative analysis of book culture in roman jewish christian and islamic contexts art historical papyrological philological and historical modes of analysis essays that demonstrate the vibrant ongoing legacy of gamble s seminal work

since culture the media and the arts deal with the perception and the processing of catastrophe what kind of social knowledge does this process produce and how does it contribute to the sustainable development of societies the book seeks to understand how societies and cultures deal with disaster and the rhetorical means they resort to in order to represent it it is situated on the cusp between the response to natural catastrophe the renewed awareness of human vulnerability in the face of environmental hazard and irresponsible policies and the social role of traditional knowledge and humanistic ideas for the preservation of human communities it aims to be diverse in disciplinary allegiance and cultural situation and relevant by bringing together articles by well known scholars and policy makers to jointly discuss the possibilities of reframing hazard for the future so that one may learn from restored behavior instead of repeating the mistakes of the past

a new approach to sociolinguistics introducing the study of the social meaning of english words over time and offering an engaging and entertaining demonstration of lexical sociolinguistic analysis the social life of words a historical approach explores the rise and fall of the social properties of words charting ways in which they take on new social

connotations written in an engaging narrative style this entertaining text matches up sociolinguistic theory with social history and biography to discover which kind of people used what kind of word where and when social factors such as class age race region gender occupation religion and criminality are discussed in british and american english from familiar words such as popcorn porridge café to less common words like burgoo califont etna and phrases like kiss me quick monkey parade slap bang shop the social life of words demonstrates some of the many ways a new word or phrase can develop social affiliations detailed yet accessible chapters cover key areas of historical sociolinguistics including concepts such as social networks communities of practice indexicality and enregisterment prototypes and stereotypes polysemy onomasiology language regard lexical appropriation and more the first book to take a focused look at lexis as a topic for sociolinguistic analysis the social life of words introduces sociolinguistic theories and shows how they can be applied to the lexicon demonstrates how readers can apply sociolinguistic theory to their own analyses of words in english and other languages provides an engaging and amusing new look at many familiar words inviting students to explore the sociolinguistic properties of words over time for themselves part of wiley blackwell s acclaimed language in society series the social life of words is essential reading for upper level undergraduate students graduate students postdoctoral researchers and linguists working in sociolinguistics lexical semantics english lexicology and the history and development of modern english
