two estranged sisters find that forgiveness never goes out of style when they inherit their mother's vintage jackets, purses, and pearls of wisdom. Estranged half-sisters Gabrielle Winslow and Lulu Quattro have only two things in common: mountains of debt and coils of unresolved enmity toward Bette Bradford. Their controlling and imperious recently deceased mother, Gabrielle, the firstborn, was raised in relative luxury on Manhattan's rarefied Upper East Side. Now, at fifty-five, her life as a Broadway costume designer, married to a heralded Broadway producer, has exploded in divorce. Lulu, who spent half her childhood under the tutelage of her working-class Brooklyn grandparents, is a grieving widow at forty-eight with her two sons grown. Her life feels reduced to her work at the Ditmas Park bakery owned by her late husband's family. The two sisters arrive for the reading of their mother's will, expecting to divide a sizable inheritance, pay off their debts, and then again turn their backs on each other. But to their shock, what they have been left is their mother's secret walk-in closet jammed with high-end current and vintage designer clothes and accessories, most from Chanel. Contemplating the scale of their mother's self-indulgence, the sisters can't help but wonder if Lauren Weisberger had it wrong because it seems, in fact, that the devil wore Chanel. But as they begin to explore their mother's collection, meet and fall in love with her group of warm, wonderful friends, and magically find inspiring messages tucked away in her treasures, it seems as though their mother is advising Lulu and Gabrielle from the beyond, helping them rediscover themselves and restore their relationship with each other.

the battle is far from over. At long last, former knight commander Cade Williams has defeated the adversary, but his victory has come at a terrible cost. His wife, Gabrielle, is no more. His reputation lies in tatters, his trust in others broken. His closest friends and allies are now at risk from the very order they pledged their lives to maintain. If it could go wrong, it has. Unable to bear the reality of what he has done, all Cade wants to do is find a deep hole and pull it in after him, let the world go on without him. For all he loves is lost, and he sees no reason to continue. Cade thinks it is over. Cade is so very wrong. New York Times Joseph Nassise continues his internationally bestselling Templar Chronicles series with *Fall of Night*.
