at last a revised edition of the controversial book that dared to tell the truth about the late diana princess of wales inspector ken wharfe the first royalty protection officer to publish a memoir was a crucial figure in the life of diana princess of wales for nearly seven years from 1987 in that time he became a close friend and trusted confidant who shared her most private moments his first hand account takes issue with many of the so called facts about the princess and provides an affectionate if not always uncritical insight into this complex troubled but ultimately fascinating woman perhaps not surprisingly the book caused a sensation on its first publication and became both a sunday times and new york times bestseller here is the authentic voice of a man who played

an important role during diana s most difficult times and in her beloved sons formative years and who shows himself to be an exceptionally perceptive observer of the events that unfolded around the princess after inspector wharfe resigned his position in 1993 making headline news diana announced her withdrawal from public life and axed her scotland yard protection a decision her former top cop believes led ultimately to her death now revised and updated to include ken wharfe s insider s view of the vast mass of material that has been published about the late princess since this book first appeared his account presents the most intimate portrait of diana to date as well as a fitting tribute to one of the outstanding figures of our age

winner of the 2023 emily toth award for best single work in women s studies all electric narratives is the first in depth study of time saving electrical appliances in american literature it examines the literary depiction of refrigerators vacuum cleaners oven ranges washing machines dryers dishwashers toasters blenders standing and hand held mixers and microwave ovens between 1945 when the all electric home came to be associated with the nation s hard won victory and 2020 as contemporary writers consider the enduring material and spiritual effects of these objects in the 21st century the appropriation and subversion of the rhetoric of domestic electrification and time saving comprises a crucial but overlooked element in 20th century literary forms and genres including beat literature black american literature second wave feminist fiction science fiction and postmodernist fiction through close readings of dozens of literary texts alongside print and television ads from this period dini shows how u s writers have unearthed the paradoxes inherent to claims of appliances capacity to give back time to their user transport them into a technologically progressive future or return them to some pastoral past in so doing she reveals literary appliances role in raising questions about gender norms and sexuality racial exclusion and erasure class anxieties the ramifications of mechanization the perils and possibilities of conformity the limitations of patriotism and the inevitable fallacy of utopian thinking while both shaping and radically disrupting the literary forms in which they operated

experience the unfiltered magic and unbridled passion of the southwest s most chaotic supernaturals from the very beginning meet hot mess queen tess her chieftains and the rest of norseton s unorthodox royals as they band together to locate their missing people and unravel the decades long mystery of who s been trying to destroy them the collection contains the entire afótama legacy series in timeline order the viking queen s men the chieftain s daughter viking s pride viking flame the viking s witch beauty the viking a legacy divided legacy each story in the series contains a satisfying romantic arc note the viking queen s men and the chieftain s daughter follow the same trio of characters as their triad evolves
