the peer effect non traditional models of instruction in spanish as a heritage language guides an important pedagogical conversation on the relevance of heritage language and literacy practices as resources for instruction framing heritage teaching and learning as a social justice issue presenting ethnographic and discourse analyses of a heritage peer tutoring program at a university in california this book focuses on the ways in which the dynamic translanguaging practices that spanish heritage language shl peer tutors mobilize in a non classroom student led collaborative academic space directly respond to the literacy demands of academic language development based on the in depth analysis of peer tutors translingual practices the book advances scholarship in shl pedagogy providing concrete classroom based examples techniques and

activities that nurture equitable pedagogies for heritage student belonging while challenging the deficit discourse that has traditionally governed the dialogue around literacy instruction for multilingual students this versatile volume is designed for educators researchers practitioners and students in the fields of heritage language pedagogy bilingual education educational linguistics and literacy studies for multilingual students

haiti one of the least developed and most vulnerable nations in the western hemisphere made the international headlines in january 2010 when an earthquake destroyed the capital port au prince more than a year later little reconstruction has taken place in spite of a strong international funding commitment mats lundahl has written several seminal works on haiti and this volume brings together the best of his past work on haiti s economic and political history along with a comprehensive introduction and two new chapters which bring the story right up to the present day together the volume provides both historical background and explanation as to why haiti was so badly affected by the earthquake and to why reconstruction efforts have been ineffective this far lundahl argues that the two main causes can found in the interaction between the growth of the population and the destruction of the arable soil on the one hand and in the creation of a predatory state during the nineteenth century which still exists to this day this book provides a comprehensive analysis which charts these themes from the time of the arrival of columbus in the island in 1492 to the present day the book also deals with contemporary market and policy failures as well as the crucial recent elections and considers the path ahead for this impoverished nation this book will be of huge relevance and interest not only to students and researchers in economic history but also for all those working on development economics development studies and american and caribbean studies more generally

the most up to date and comprehensive description of the spanish language s phonetic and phonological system though there has been considerable research in spanish phonology until now no in depth and complete descriptive reference work has existed fonética y fonología descriptivas de la lengua española volumes 1 and 2 is a comprehensive reference written in spanish describing the phonetics and phonology of spanish edited by juana gil fernandez and joaquim llisterri this set provides a comprehensive overview for understanding segmental and suprasegmental topics in spanish phonology making clear what further research is needed the international set of contributors in this essential reference present evidence never before analyzed introduce new theoretical

concepts and issues not considered previously extend the scope of the case studies and organize its many subtopics as well as suggest new topics for future research a descriptive reference with copious figures and tables this book is the key to the field s assumptions and a presentation of accepted research on which future scholarship is based with state of the art information on all topics related to the sounds of spanish fonética y fonología descriptivas de la lengua española will be a valuable resource for researchers students and scholars of spanish linguistics who wish to deepen their understanding of the phonetic and phonological characteristics of all the varieties in the spanish language
