this new edition of lesbianism allows one to understand lesbianism as a way of life the original 1965 1966 research study is included in its entirety unlike freud who based his view that lesbianism was a mental disorder on a single case study this breakthrough and innovative research project concerns interviews and psychological testing of 26 lesbians who were not psychiatric patients and as one would predict these lesbians were not disturbed as far as mental health was concerned the original research was done before homosexuality was removed as a mental disorder it seems odd today to even consider freud s view as accurate we have come a long way in recognizing that one s sexual preference is just that this study was a pioneering one that disproved a false idea that lesbianism was evidence of an emotional disorder and this 2020 edition includes a conversation about the book with rachel rosen who is a lesbian the dialogue between the author and his daughter provides insightful questions and a true understanding of lesbianism

to some people saying that david had a godly heart is almost offensive how do you apply that description to a man whose legacy includes neglecting responsibilities lust adultery murder deception hypocrisy and callous indifference saul david s predecessor as king of israel was guilty of deliberate rebellion but scripture gives no account of him ever engaging in the kind of disgusting activity that characterized david s behavior during his sin with bathsheba yet saul when he sought forgiveness was rejected what made david different david the godly heart of a sinful man examines david s heart identifying specific character qualities that influenced his response when confronted with his sin humility honesty and confession were common and it was evident that david cared more about getting right with god than defending his actions there was no effort to justify his sin or excuse himself and he never tried to shift the blame to others david understood that god cared more about the contrite attitude of a broken heart than the false piety of an insincere sacrifice he knew he would never by his own efforts meet god s standard of perfection in psalm 103 14 david stated he knoweth our frame he remembereth that we are dust the essential message of david the godly heart of a sinful man is that god does not expect an individual to be perfect instead he desires a heart that is sensitive and responsive to the ministry of god s spirit
