the chair you're likely sitting in one right now yet despite its common presence in offices restaurants and homes we very rarely stop to think about the origins of the chair and its place in culture after all the human body is actually more suited to sitting on the ground than on a chair and as a result chairs often cause back problems nonetheless in western culture as Anne Massey explains the chair is an object that marks our place in the modern world Massey explores how particularly in the last hundred years the chair has become a revered object of design certain chairs have become iconic like the Eames lounge chair and Verner Panton's chair which are photographed exhibited in art museums and slavishly copied by cheaper models other chairs have reached iconic status simply through their everydayness think of Van Gogh's chair or the way Shaker chairs have become emblematic of a simpler and purer lifestyle Massey further examines how chairs have been crafted from local to global manufacture in doing so she elucidates the meaning of the chair in contemporary culture as well as the development design and manufacture of this ubiquitous object drawing on design art popular culture and personal experience chair is an engaging and informative biography of this everyday object and will appeal to anyone interested in why we choose to sit on the chairs we do

the astronomer's observing chair as both image and object and the story it tells about a particular kind of science and a particular view of history the astronomer's chair is a leitmotif in the history of astronomy appearing in hundreds of drawings prints and photographs from a variety of sources nineteenth century stargazers in particular seemed

eager to display their observing chairs task specific often mechanically adjustable observatory furniture designed for use in conjunction with telescopes but what message did they mean to send with these images in the astronomer's chair omar w nasim considers these specialized chairs as both image and object offering an original framework for linking visual and material cultures observing chairs nasim ingeniously argues showcased and embodied forms of scientific labor personae and bodily practice that appealed to bourgeois sensibilities viewing image and object as connected parts of moral epistemic and visual economies of empire nasim shows that nineteenth century science was represented in terms of comfort and energy and that manly postures of western astronomers at work in specialized chairs were contrasted pointedly with images of effete and cross legged oriental astronomers extending his historical analysis into the twentieth century nasim reexamines what he argues to be a famous descendant of the astronomer's chair freud's psychoanalytic couch which directed observations not outward toward the stars but inward toward the stratified universe of the psyche but whether in conjunction with the mind or the heavens the observing chair was a point of entry designed for specialists that also portrayed widely held assumptions about who merited epistemic access to these realms in the first place with more than 100 illustrations many in color flexibound

portrayals of women in early twentieth century china explores the role played by woman and their visual representations in introducing modern design and modern ways of living to china it investigates this through an analysis of how women and modern design were represented in the advertisements photographs and films of republican era china this study explores the intersection of modernity and the chinese woman as they negotiated their changing identities through and with new designs that proliferated in chinese households in the first half of the twentieth century the advertisements mass media photographs and films took on the function of social conditioning conveying to the viewers ideas of modern social standards behavior and appearances with women both instrumentalised within these images and addressed through them their visual representations became metaphors that fashioned a new portrait of china while concurrently impacting on the identity agency and subjectivity of women themselves
