no wonder there are so many books in the market and free downloads on the websites on english second language teaching eslt yet i felt like writing this book why because i myself had my primary and secondary education in regional medium state govt run schools obviously with english as second language hence

personally experiencing english language learning difficulties as fate would have it after being a mother and homemaker for a lengthy period got selected in a p residential schools to teach english for middle and high schoolchildren then started my travail and quest why in government schools pupils feel english a big hurdle a hard nut to crack in exams apart from that my lacunae i e inadequate skills in elt led to pursue several courses in eflu hyderabad including m phil in english while in service the result of my quest practice in teaching and enquiry led to writing this book a comprehensive one a linguistic compendium for english teachers an all encompassing english paradigm for the general public all in all a schoolteacher s voice

amma is a tribute to my mother who passed away earlier this year the book traces her influence through successive years of my life shaping my values my convictions and my world view once i got my father s blessing to start my maiden literary venture i set about writing the book this book is a heartfelt and tearful tribute to my mother the loveliest woman i ever knew it is also a deep reverential tribute to all mothers and to motherhood in general may you continue to be god s best representative on earth and inspire your children to aspire for something higher and something ennobling i hope every son and every daughter picking up this book will find it resonating with their love and affection for their own mothers pranaams

hinduism the basics introduces readers to the third largest and arguably the oldest living religious tradition it opens a vista into the rich and dynamic ethos of the hindu religious tradition in india and other parts of the world the book explores the variety of philosophical schools priestly rituals and popular practices common in the hindu faith presenting the layered diversity of its traditions and how they function in everyday life chapters unpack key concepts from the tradition and discussions about its various aspects including the historical development of hinduism religious practices such as pilgrimage meditation and life cycle rituals the organisation of hindu society into castes and related social justice issues the spread of hinduism around the world the rise of hindu nationalism and other challenges of modernity the continuum between sacred texts in both elite sanskrit and in south asian vernacular languages hindu worldviews including karma reincarnation and ethics the vitality of indigenous cultures in every form of hinduism featuring glossaries timelines suggestions for further reading and a list of key deities as well as practices this is an ideal introduction to hindu beliefs and traditions for undergraduates and others new to the study of hinduism

the objective of the conference is to bring to focus the recent technological advancements across all the stages of data analysis including acquisition processing and communication advancements in acquisition sensors along with improved storage and computational capabilities have stimulated the progress in theoretical studies and state of the art real time applications involving large volumes of data this compels researchers to investigate the new challenges encountered where traditional approaches are incapable of dealing with large complicated new forms of data

this volume offers an insight into the socio economic profile of tribes in the states of gujarat and andhra pradesh it looks into the various facets of the way of living of the tribes dwelling in these states the effectiveness of tribal development projects in both the states have been analysed on several parameters including work participation rate literacy housing and access to portable water incidence of diseases and nature of employment etc it is commendable that gujarat has fared better in terms of tribal development as a result of constant efforts of the state as well as central government policies on the other hand andhra pradesh still lags far behind in the race with the active participation of government people and civil societies we dream of a new dawn for tribal people where they can march from gloom to glory with dignity

training indian village children to look after buffaloes instructing girls to use a sewing machine running adult literacy classes for rural women did betty robinson in her youth employment office in dunfermline in the 1950s and 1960s realise where her application for missionary training with the london missionary society would take her three years of missionary training did not prepare her for that a buffalo and a sewing machine can literally save a village and give its children a future then romance and marriage to a fellow scot leslie robinson general surgeon and medical superintendent at the church of south india s hospital in chickballapur karnataka

this volume studies the ways in which modernity has been conceived practiced and performed in indian literatures from the eighteenth to the twentieth century it brings together essays on writings in hindi urdu punjabi bengali odia gujarati marathi tamil telugu kannada malayalam and languages from northeast india which form a dialogical relationship with each other in this volume the concurrence and contradictions emerging through these studies problematize the idea of modernity afresh the book challenges the dominance of colonial modernity through sociohistorical and cultural analysis of how modernity surfaces as a multifaceted phenomenon when contextualized in the multilingual ethos of india it further tracks the complex ways in which modernism in india is tied to the harvests of modernity it argues for the need to shift focus on the specific conditions that gave shape to multiple modernities within literatures produced from

india a versatile collection the book incorporates engagements with not just long prose fiction but also lesser known essays research works and short stories published in popular magazines this unique work will be of interest to students and teachers of indian writing in english indian literatures and comparative literatures it will be indispensable to scholars of south asian studies literary historians linguists and scholars of cultural studies across the globe

in this book we will study about the subject of rural development social exploring its key themes developments and importance in the broader context of the discipline the book offers foundational and in depth understanding tailored to build academic insight and critical thought

india is a vast country of continental size despite increasing literacy english continues to be the link language for want of acceptable language within the country however hindi still remains the language of the masses spoken by more than half the population and understood by nearly three fourths although hindi is taught in school syllabi its purpose is purely academic that hardly serves to promote national unity through ease in conversation understanding this need in filling this disjointed gap v s publishers has taken the first fledgling step by deciding to bring out a conversational indian language series beginning with telugu to hindi module in the name of e sampurna vyakaran sahit e after years of research and hard work and supported by knowledgeable persons of literary taste we have come out with this unique volume that is significantly different from all the other language learning courses out there the major difference this module format also provides the basics of grammar which are absent from all the other titles in the market these basics of grammar not only provide knowledge base of the language but also enable an individual to learn the language while speaking it v s publishers

india is a multi racial country different parts have different cultural traits and levels of development it is not uncommon to find that there are certain tribes which are not yet touched even by the fringe of civilization aboriginal are examples of this the word tribe is taken to denote a primary aggregate of people lining under primitive or barbarous condition under a headman or chief tribes is a group of families living as a community under one or more chiefs united by language and customs the main and vital objective of this volume is to make in the book a few selected articles that represent some kind of contributions to the knowledge of tribal education while writing the articles i have tried completely to emphasis on concept

principles and applied aspects of tribal education this volume will be highly useful to faculty members researchers policy makers local self govt and ngos working on tribal development and to the general public

this book uncovers practices surrounding acts of collecting surveying and antiquarianism during british colonial rule in india by examining these practices this book traces the colonial conditions of the production of sources the forging of a new historical method and the ascendance of positivist historiography in nineteenth century india
