experts on the unexplained and paranormal research brad and sherry steiger turn their unique and remarkable talents to the bold storytelling of encounters with the unknown from throughout the ages from mysterious strangers and unpredictable beings to weird behavior and paranormal phenomena they investigate claims of visits from ghastly ghosts otherworldly creatures aliens living among us phantoms spirits and other accounts of encounters with the unexplained over 130 astounding accounts of real encounters different dimensions and otherworldly beings with the supernatural such as visitors from other worlds who have had earth under surveillance for centuries conducting their activities in secret even abducting humans for their own research and undeclared ends members of secret societies who developed advanced technology centuries ago which has been kept hidden in underground or undersea cities time travelers from the future beings who claim to be our descendants from the future who are returning to study the true destiny of humankind ghosts that haunt people places and things and poltergeists that create havoc beasts and monsters found in everyone's worst nightmares and sometimes in their campsites fields and yards other dimensional visitors beings creatures or entities that come not from a faraway world in our solar system or any other but from an adjacent space time continuum existing on another vibrational dimensional frequency or level previously unknown unidentified terrestrial life forms such beings as sky critters sky fish rods and orbs as yet unknown physical energies that may be activated by the psyche the unconscious level of the humanmind archetypal creatures and entities of the collective

unconscious that are the result of energies that are accessible through dreams meditations and other states of altered consciousness interactions with beings that have been dubbed elves fairies devas throughout the centuries the marvelous creative facet of dreams out of body mind traveling through time and space majestic beings who are described in the scriptures of many world religions as angels or demons

mauritania is bordered by senegal in the south mali in the east algeria in the far northeast and the disputed territory of western sahara to the north comprised mostly of vast stretches of desert this young country has escaped the ravages of the violent interstate and civil conflicts that have so bedeviled africa mauritanian society possesses ancient antecedents and a universal religious faith that has been practiced over several centuries these characteristics have given the country a sometimes fragile but relatively resilient sense of national identity which has survived into the 21st century in the face of powerful political regional ethnic racial and tribal rivalries since its independence in 1960 an economy largely centered on the export of raw materials a weak agricultural sector and a harsh climate in most areas further add to the challenges confronting all mauritanians the third edition of the historical dictionary of mauritania through its chronology introductory essay maps bibliography and hundreds of cross referenced dictionary entries on important persons places events institutions and significant political economic social and cultural aspects provides an important reference on mauritania

corrections a text reader second edition is designed for undergraduate and or graduate corrections courses organized like a traditional corrections text it offers brief authored introductions in a mini chapter format for each key section followed by carefully selected and edited original articles by leading scholars this hybrid format ensuring coverage of important material while emphasizing the significance of contemporary research offers an excellent alternative which recognizes the impact and importance of new directions and policy in this field and how these advances are determined by research

croatia a former republic of yugoslavia has been a self declared independent state since july 25 1991 to its own people however it is a much older country that is finally getting another chance to forge a nation the croats trace their roots back many centuries and the depth of this resurgent nationalism helps explain why yugoslavia split as it did and where it did as croatia and its people try to make a success of their new state they can take hope in the notable progress

that has already been made in regards to its economic restructuring democratization and a rapprochement with their neighbors and europe more broadly the third edition of the historical dictionary of croatia relates the history of this country through a detailed chronology an introduction a bibliography and cross referenced dictionary entries on significant persons places and events institutions and organizations and political economic social cultural and religious facets

originally formed to harbor freed slaves and americans returning to africa liberia once was a land of hope that was shattered by a long civil war that shook its very foundation today s liberia is glimpsed in this second edition building on the first edition this updated volume focuses on the personalities from the founders of liberia to the soldiers who are responsible simultaneously for destruction and the hope of stability along with these people various social and ethnic groups political parties and labor movements economic entities and natural resources are profiled in this updated work a new chronology of liberia is included and a selected bibliography suggests further readings for the scholar

the history of eritrea is told in this reference through a chronology an introductory essay a bibliography and over 500 cross referenced dictionary entries on significant persons events places organizations and other aspects of eritrea s history from the earliest times to the present this book is an excellent access point for students researchers and anyone wanting to know more about eritrea

the collected works of marie louise von franz is a 28 volume magnum opus from one of the leading minds in jungian psychology volume 3 turns to the maiden s quest within fairytales the maiden heroine navigates a complicated maze of inner and outer relationships as she builds a bridge to the unconscious the heroine contends with the animus in many forms like a devouring and incestuous father demonic groom the beautiful prince an androgenous mother a cold dark tower and through conflict with the evil stepmother dangers and pitfalls await her as the conscious feminine strives to make connections with the unconscious masculine the maiden is the undeveloped feminine and the promised fruit of her struggle with the animus is the coniunctio volume 3 is a masterwork of cross cultural scholarship penetrating psychological insight and a strikingly illuminating treatise with her usual perspicacity and thoroughness von franz gathers countless fairytale motifs revealing a myriad of facets to the maiden s quest
