living in a hippie community in the australian rainforest i in january 1992 started to write about my visions and spiritual experiences i described ten places in our heads as homes of the human spirit there are many publicly known people who are involved in the move of the earth to a higher dimension in 2013 more than 200 000 people live on earth and at the same time on a parallel world which is a home for immortal people the evangelist john spoke with a cross of light i believe that a new cross of light will appear on earth soon in july 1979 i met the devil and his wife on the inner german border i name some people who have been the devil of previous earth like planets in older universes alex collier wrote in 95 that since my 40th birthday on 3 23 1994 vibrations leave all black holes of our local universe changing its nature lifting all planets into higher dimensions i believe these frequencies come from the immortals living on earth now including me

the tabernacle of david is a key revelation to national impact by the church it restores the place of believers as kings and priests who should not choose one function above another they should exercise both functions for kingdom expansion it provides case studies from competing worldviews on how to disciple our world jesus said go disciple nations so far the church has been doing a poor job of this i believe that this revelation is one more cog in the wheel that will help believers take their place of influence and advance the kingdom mandate

on earth may his kingdom come and his will be done on earth as it is heaven

this book is a little masterpiece it informs and it explores it recounts history and it provokes a religious quest it is a personal book yet it explores the great questions of theology it is full of learning but not ponderous it is written from the perspective of faith but is not off putting to the inquirer thomas o loughlin professor of historical theology university of wales lampeter andreopoulos explains the gesture and meaning and history of why christianity has needed symbols and signs through the ages throughout his writing is as inspiring as a restorative benediction ala booklist the book succeeds at translating the significance of the sign of the cross into something personal and immediate publishers weekly the christian of today grows quickly from the innocent child into adulthood and demands understanding of any simple behavior why to sign with the cross where did this practice begin when and how andreas andreopoulos with his book helps to answer these questions h e immerses us into the illuminating obscurity of the holy tradition protopresbyter kyrillos leret aldir orthodox christian comment

from young st francis de sales comes this defense of the catholic practice of making the sign of the cross which calvinists denounced as a popish invention

much of early medieval celtic and anglo saxon art is based on the display of motifs key interlacing spiral and zoomorphic in well defined panels in simple and complex arrays a study of the arrangement of the panels and the fine detail of the motifs indicates that the artists relied on geometric methods and principles first used by egyptians and greeks this book reflects derek hull s life long interest in interpreting the exciting and exotic patterns revealed

by scientific studies using light and electron microscopes his interest in celtic and anglo saxon art started with a casual observation of an interlacing pattern on an early medieval stone cross set in a churchyard there followed many years of exploration of art in metal stone and vellum from all parts of the british isles and ireland resulting in some fascinating discoveries celtic and anglo saxon art reveals new and intriguing facets of these works that add to our appreciation of the beauty of the art and the skills of the artists this is a book for lovers of celtic art design and calligraphy and will both delight and captivate a must have for both the cognoscenti and enthusiasts of celtic religious art cambria
